### Third Sunday in Ordinary Time

The US bishops' pastoral on stewardship reinforces today's reading from I Corinthians: "Because its individual members do collectively make up the Body of Christ that body's health and well-being are the responsibility of the members - the personal responsibility of each one of us. We are all stewards of the Church."

Let the enemy rage at the gate; let him knock, pound, scream, howl; let him do his worst. We know for certain that he cannot enter our soul except by the door of our consent.

St. Francis de Sales (1567-1622), Bishop and Doctor, Feast Day January 24

### Parish Prayer

Almighty God, my parish is composed of people like me. I help make it what it is. It will be friendly, if I am friendly. Its pews will be filled, if I help fill them. My parish will do great work, if I work with my parish. It will make generous gifts to many just causes, if I am a generous giver. It will welcome other people to our worship and fellowship, if I invite and welcome them. It will be a church of loyalty and love, of fearlessness and faith, and a church with a noble spirit, if I am filled with these same qualities. Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be. Bless our journey together, Lord God. Amen!

# IN OUR PARISH COMMUNITY

3rd Sunday in Ordinary Time

In today's Gospel reading by Luke, Luke set out to write the accounts of the history of Jesus. Jesus returns to Galilee following his Baptism, filled with the power of the Holy Spirit to accomplish, "His role as the Messiah", as was promised in the Old Testament. He addresses Theophilus, meaning "loved by God".

We can attribute "loved by God" to each and everyone of us! For this is Jesus' intent, to assure us of His Love and that he wants to live in our Hearts! We as a community can share, celebrate, and embrace that Love! For it is through Jesus Christ that we can find purpose in Life! It is through a shared community of support, concern and love that we can find purpose!

My career of Nursing has brought so much into my faith life. We all have struggles! In my career I have dealt mostly with the struggles of individuals with mental and physical illness, loss of a loved one or of good health. My career took on so much more meaning, compassion, and empathy when I was able to open my heart and hands to prayer with those struggling with their illness, pain, and suffering. Professionalism is only a small part of a career! Embracing prayer with a broken spirit due to loss, illness, injury, pain or suffering of any kind brings comfort and reassurance of God's love! This was true for myself as well as the individual sharing their story.

We are appointed by Jesus to do as He did when He returned to Galilee! Acceptance is the word that comes to mind. People of all life styles become ill and are in need. This was one of my greatest challenges, to realize that one's life style also has a purpose. One that allows and directs me to open my heart. Jesus was not selective in who He healed, touched and loved, for each of us is His child. I became aware of my own faults and failings, realizing I would want acceptance. Jesus has given me that acceptance and love through my work! A friend shared with me that, together we are "ONE BODY IN CHRIST!"

Ann Zeman
