Gospel Reflection Easter Sunday

There are many stones in our paths that keep us from truly living and being free. Some of these boulders have been there for a very long time. They have been there so long that they have even settled into the soil of our lives with other weeds, vines, and compacted soil keeping them firmly in place. We find them hard to move and trying to do so can be exhausting. What are these suffocating albatrosses that keep us so tethered and immobile? They are many things.

They are past childhood wounds and hurts that stem from disappointment, rejection, or abuse. People may have told us we were unwanted, that the world is frightening, that there are only some acceptable feelings you can have and others you cannot. We may have tried to love someone or struggled to figure out how and were met with rejection. Maybe we trusted someone completely and were betrayed. We come to life collecting barnacles that begin to attach to other barnacles and before you know it, we have a mass of solid matter blocking our vision and keeping us from moving. We live in fear. We are afraid of losing what we have, afraid that the future will be empty, afraid that we won't succeed and even more afraid that we will not be loved. There is so much fear. Didn't Jesus tell us not to worry and to not be afraid? Either we believe in the message of Easter, or we don't!

Go confidently into the night. Walking with God you will find the light and strength you need. Often without even knowing, God will move those boulders and stumbling blocks that bind us and, with putting one foot in front of the other and looking forward, we will move. The resurrection of Christ is really all about receiving the gifts of trust and faith and doing new things. The rocks that bind us keep us spinning the same wheels and doing the same things. When was the last time you threw caution to the wind and actually did something totally out of character and different? This is where we find God, in the spontaneous, the adventurous, the fun, and the creative choices we make! God is not boring and stuck. God is exciting and engaging. Jesus Christ is risen from the dead! Find a way to trust that this is true and live. ©LPi

Society

It's never too early to think about Spring Flowers, and the Altar and Rosary Society is here to help

you out with their **14th Annual Spring Plant and Pie Sale on May 7, 2022**. Beginning at 8:30 am, come by for a plant for yourself or your Mom (mother's day is the 8th).

Homemade pies baked by parishioners of St. Joseph's will also be for sale, but they go fast, so get there early. Stop in early for the widest selection of hanging baskets and patio planters for sun and shade. Want to make sure you get what you want? Download the order form at the Parish Website (QR code on bulletin cover). Order forms will also be in the Church Vestibule and in the Parish Office.

The A&R is also looking for volunteers to bake pies for the pie sale. Fruit pies are most welcome. Unfortunately, we cannot accept pies that need to be refrigerated such as custard, meringue, pumpkin, or ice cream pies. Pies may be dropped off at the Parish Office on Friday, May 6, from 8:30 a.m. to 2:30 p.m., or on Saturday morning, May 7, any time after 7:00 a.m. Don't forget to label your pie!

Help is also needed on Saturday for set-up and take-down of flowers, tent, shepherd's hooks, tables, and for sorting orders. If you

would be willing to bake a pie or two, would like to order flowers, would be willing to help set up, or for any other questions regarding the pie or flower sale, please call Adrienne Adams at 815-678-2045 or Teresa Weber at 815-678-2704.

Deacon will be in touch.

Pro-Life Quote of the Week

"I have been pregnant three times in the past five years, and am presently in my seventh month. I am now 'showing,' so that all can see the presence of life within me. And I feel it very strongly now: a kick here, a squirm there. But even in the first month, with fatigue, sometimes nausea, and other hallmarks of early pregnancy, a mother knows something is different. That difference is the presence of life, manifesting itself—if just to Mom alone." —Meredith Berkman, in *The New York Post*
