## **Month of Ma(r)y**

The month of May felt like it would never get here! In Wisconsin it sometimes feels like the calendar is moving backward especially when Spring holds back on it's warmth...like this year.

Every May, when it finally arrives, brings with it an opportunity to honor Our Mother Mary. Of course, as we know Mary always points us to her son, Jesus, in both large and small ways. They are inseparable. Saint Louis de Montfort once said, "It would be easier to separate light from the sun than Mary from Jesus."

Sometimes when we feel far from Jesus we can always ask Mary to intercede for us and draw us closer to whatever we need from His healing touch. We often need her intervention and should remember that just like at the wedding in Cana, when Mary told the stewards to "do whatever He tells you", Jesus unfailingly grants grace and mercy to all poor sinners when His Mother requests it.

Mary is often referred to as the "great boast of humanity"...the only person conceived without sin. What better person to ask for help when we need it?

And what better place to ask for it than the Shrine of Our Lady of Good Help. Can you believe that we live only 15 miles from the only approved Marian Shrine in the United States? Think about the gift that has been given to us in northeastern Wisconsin. It's the same as if we lived next door to the Shrine of Our Lady of Lourdes or Fatima. How amazing! I pinch myself when I go there.

Pilgrims come from all over the world to feel the peace and healing they find there. There is something that is hard to describe in that Holy place.

If you haven't yet made a visit I strongly encourage you to do so. Mass is every day at 11 am. Confessions are available every day. The Rosary walk is awesome and there is Adoration daily as well. There are many special Marian events throughout this month and year. Go online to The National Shrine of Our Lady of Good Help and check out the events calendar.

There is nothing like being there when a large number of visitors are there from all over. There's also nothing like being there on a random summer week day morning when you have solitude. Either way...check it out!

So in the month of Mary...May...plan to go see your Mother!

May God bless you.

Deacon Greg

## RE COORDINATOR

*“Dear young people, you know that Christianity  
is not an opinion nor does it consist of empty words.  
Christianity is Christ! It is a Person, a Living Person!  
To meet Jesus, to love him and make him loved:  
this is the Christian vocation.”*

- St. John Paul II

## RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

### *Loving as New Creations*

“There’s something different about you.”

Think about the times in your life when this has been said to you. Maybe it was after someone complimented you on a job well done, and you realized that you were walking through life with a little more confidence. Maybe it was after meeting someone special, as you carried the glow of that relationship wherever you went. Chances are, if someone has noticed something different about you, it’s because, inwardly, you’ve been changed by the loving or respectful actions of another person.

Love, you see, can make us into new creations. From the love of God flows the grace to tackle any challenge, including the biggest challenge of all: loving each other well. Christ knows what a big request this is. He was human, too. He came and lived among us. He knew intimately what it was to love people in the chaos of their own flaws. He knew what he was asking of us when he said, “As I have loved you, so you should also love one another.”

In essence, this is the call to stewardship: loving as Christ loves, amidst the messiness of everyday reality. Loving with accountability, challenging ourselves and our brothers and sisters to be faithful even when it is hard. Loving with an unflinching sense of hospitality that welcomes even those we do not agree with or understand. Loving with gratitude, giving thanks for the great variety of ways that Christ can make himself known to us through others.

It isn’t easy — we all know that. But if we ask God for the grace to remain steadfast in this greatest commandment, we will be given what we need to live as new creations.
