Religious Ed & Youth Ministry

Welcome to the 2022-2023 Religious Education season here at Most Precious Blood. Our team is thrilled to be able to share our love for our Catholic faith and the Lord with all the families and students here at MPB. A profound “thank you” to all the catechists, small group leaders and aids who so generously volunteer their time and talent to the RE program. Their commitment to graciously share their Wednesday evenings with us and your children is commendable, we ask that you keep them and our program in your prayers. We had an amazing family kick off on Wednesday, September 14th where many volunteers helped serve up hospitality and welcome all our RE families. We officially started our classroom portion of Religious Education (grades 1-11) on Wednesday evening September 21st. It was wonderful seeing all the joyful young faces gathered again who we are delighted to journey with each week. Thank you parents for saying the important “YES” to allow us to assist you in teaching your children about our beautiful Catholic faith. We look forward to unpacking what this year has in store with you over the months to come. A great way to keep up to date on everything we have happening in our parish RE program is to check out our parish website, check your emails from our team, as well as follow our RE page on Facebook or just drop Kelly or Ashley an email.
