Fourth Sunday of Ordinary Time

Love is the most important virtue there is. Without love, nothing matters. With love, everything

matters. Love brings courage, support, strength, and even miracles. Jeremiah could do anything, because he was assured of God's love. Jesus could do very little when he felt no love from the people.

Real love ensures, believes, and hopes. Love is power. When has love empowered you to do something you did not think you were capable of doing? What happened? What is your definition of love? What is one of the greatest obstacles to love in your life?

~In Touch with the Word, Lisa-Marie Calderone-Stewart

THE SAUK COUNTY CHILDREN'S GIVING TREE

needs your help in assisting families who are struggling financially. To make a donation mail a check to the Giving Tree, PO Box 70, Baraboo, WI 53913.

SOCIETY OF ST. VINCENT DE PAUL

In the Gospel today, Jesus shows us that we are called to place gospel values before any other values and to be willing to put our lives on the line for them. Taking care of God's poor is indeed living gospel values.

Is God is calling you to join the Society of St. Vincent de Paul? If you are interested in becoming a member please call Mike at the St. Vincent's store, 356-4649.

Life Long Faith Formation

“In this world, we all are fallen. We all are in need of Christ’s mercy and grace. We always can love more, trust more, and hope more. Doing the work of the **New Evangelization**

requires that we recognize that.

It requires we let ourselves **be evangelized**, even as we seek to **evangelize** others...

Second, we need to remember that God calls us to be faithful, not successful. Like that sower of seeds in Matthew 13, our job is to sow seeds with abandon on rocky ground, along the path, among the thorns, as well as in fertile soil. We can’t stand guard over every seed, waiting to see if it takes root. Nor can we only somewhere we know our seeds will most likely bear fruit.”

Evangelizing Catholics: A Mission Manual for the New Evangelization, Scott Hahn.

Sunday, February 6, we celebrate the Rite of Welcome with Kristin Shimon and her sponsor, Katie Ederer.

This rite welcomes baptized but previously uncatechized adults who are seeking to complete their Christian initiation through the sacraments of confirmation and Eucharist or to be received into the full communion of the Catholic Church.

Please keep Kristin in your prayers as she continues her journey into the Catholic faith.

“Holy Baptism is the basis of the whole Christian life, the gateway to life in the Spirit,

and the door which gives access to the other sacraments” (CCC 1213).

We are looking for a couple interested in sharing their faith and knowledge of with young people requesting baptism for their child or children. The baptism learning session is held every other month and you will be mentored by and share this responsibility with others. Please contact Becky if interested at beckyt@stjosephbaraboo.com or 356-5353.

Reminder!

Prayer Buddies this Sunday, January 30, after the 10:30 Mass until 1:00 pm in gym.

Wisconsin Governor Tony Evers is pushing for passage of a bill that would repeal Wisconsin's 172-year-old abortion ban.

SB 75 would repeal Wisconsin's criminal abortion ban, which is currently unenforceable due to the federal Roe v. Wade ruling. Given the Supreme Court's anticipated ruling to overturn Roe v. Wade the old law would come back into effect so the Evers administration is trying to muster support for SB-75, the Abortion Rights Preservation Act.

Wisconsin Right to Life legislative director Gracie Skogman said, "Abortion is violence against women and their preborn children, and leaves women without real options and support. The heart of the pro-life movement is to uplift and encourage these women, and we look forward to a day when abortion is no longer protected in Wisconsin."
