Parish Mission Statement

We are the Church, the People of God, gathered under the special patronage of Mary, the Immaculate Conception. As Catholics of the Dardenne area in the Archdiocese of St. Louis, in communion with the Bishop of Rome, we are called and chosen to proclaim the Lord Jesus Christ through our lives. With joy we strive to fulfill our Baptismal calling by prayer and worship, teaching and sharing our faith, serving others, and fostering Unity in diversity.

August 21, 2022

Dear Brothers and Sisters in Christ:

Please let me start by thanking you for your thoughtful consideration and honest feedback to our various All Things New surveys, outreach and strategic planning endeavors. Your prayers and input have been most valuable to this effort.

As I write, I'm reflecting on something the Holy Father said several years ago that remains true and especially relevant to us in the Archdiocese of St. Louis. Pope Francis said "we are not living an era of change, but a change of era." The All Things New pastoral planning process is going to bring historic change to the Archdiocese of St. Louis. We know that our current model is not sustainable. As we start to look at potential plans for parishes, ministries and schools to ensure a vibrant presence and future for the Archdiocese, I'd like to update you as to where we are in the process.

In this next phase, we will begin a conversation with our archdiocesan priests and parishioners to discuss draft models, which are based on demographics, sacramental data and feedback received from the Disciple Maker Index survey and other consultative bodies. This past Friday, we presented the information we gathered and preliminary proposals for parishes to our priests to gather their feedback. Then, over the next several months, we will share updated proposals in a series of listening sessions hosted at each parish to hear your thoughts about the proposed models. *Please let me remind you that these parish models are preliminary and will be adjusted based on your feedback.* Specific information regarding schools will be released later.

Our goal is to implement a vision for evangelization that is accessible to all and empowers every Catholic to spread the Gospel message – today and for generations to come.

This is our primary focus as Catholics, and so I urge you all to bear this in mind as we take the next steps. We are called to collaborate as the Catholic Church rather than compete as many individual churches. I encourage you to engage with us during our listening sessions with an open heart and mind, as we continue to discern where the Lord is leading us. We will continue to update you through allthingsnew.archstl.org. May God bless you, your family and your parish community.

Sincerely yours in Christ,

Most Reverend Mitchell T. Rozanski
Archbishop of St. Louis

DISCERNING GIFTS SEMINAR AUGUST 25, 5:45pm-8:30pm - ICD PARISH HALL - PRESENTED BY: FR. RICHARD BOCKSKOPF

Prior to the seminar, participants will take a brief *online survey* at Kiersey.com and will learn of one's "primary personality or talent type" as defined by Keirse; however, at the seminar, Father Bockskopf will describe how these four primary types interact and can be further subdivided into 16 types in total. *Why does it matter? Why attend?*

Keirse notes that the knowledge gained of one's talents-gifts can "transform your understanding of people . . . provide you with a unique perspective that brings clarity on who you are, what you do . . . and what difference you make".

A meal will be shared at 5:45pm followed immediately by the seminar. There is no charge for the seminar. Reservations for the seminar accepted through August 22nd.
