GOSPEL REFLECTION

14th Sunday in Ordinary Time

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence. God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't He just the carpenter's son? What merit can His words possibly have?

If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman gave birth to a child and there wasn't anything extraordinary to see. We have a hard time understanding God's ordinary-ness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.

God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do. While God continues to do what He has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either.

GROWING WITH THE GOSPEL

©LPi

Sharing the Gospel - People in His hometown did not believe that Jesus could be smart enough to teach in their temples. They did not believe He could heal. So He went to other towns to teach and heal. If someone says that you are not smart enough or skilled enough, Jesus understands. He will help you. Tell them, "I can do all things through Christ who strengthens me."

Prayer - Lord, help me say to myself and others, "You can do it. God will help."

Mission for the Week - If someone is left out of a game, say, "I will play with you."

WELCOME IN JESUS' NAME!

We extend our hands and hearts in Christian fellowship to everyone here celebrating with us. STEWARDSHIP ~ A DISCIPLE'S RESPONSE

This weekend as we celebrate the Independence of our country, we will do well to echo the Psalmist, saying, "Our eyes are fixed on the Lord, pleading for His mercy." May we always recognize and use wisely the gifts of freedom and abundance He has showered upon us.

VOCATIONS

As a parish family, we are asked to **Pray Daily For Vocations** to the priesthood and religious life. Religious Organization information and prayers for Vocations are available on our parish website www.holyfamilyjasper.com/vocations-cross. Thank you for promoting religious vocations through your faithful prayers.

Those considering a life of service as a priest, deacon, or religious should contact the Diocese of Evansville Vocations Office at 812-424-5536.

Vocations Director: *Rev. Tyler Tenbarger*

Pray for a Priest: Each week we offer our prayer support for a priest within our diocese. This week our thoughts and prayers are for:

Rev. Benny Alikandayil Chacko; Sts. Mary and John Parish, Evansville

We welcome and encourage you to participate in any of our parish ministries. Please refer to the *Parish Ministry Guidebook and Directory* or contact the Parish Office at 812-482-3076 for more information.

Bereavement Meal Ministry – When there is a death in our parish, we offer the family a Bereavement Meal following the funeral. The meat is purchased, and volunteers from our parish prepare covered dishes, serve, and clean-up from the meal. As we are reopening this ministry again, we have several people that are no longer able to help. Additional people are needed to prepare covered dishes, and also to join a team who sets up, serves, and cleans up after the meal. Donations are always helpful also, to offset expenses in providing the meals. Please contact Dave and Rita Blessinger at 812-482-4745 to join this ministry of providing meals to families who have lost a loved one.

Good Deed from our Children's Envelopes:
"I helped dad pull weeds"

FROM OUR PASTOR'S DESK

Please welcome Father Bernard Olszewski who will speak at all the Masses on behalf of Cross Catholic Outreach. This ministry was founded to create a meaningful link between parishes in America and the priests and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America. Brochures will be provided with more information about their organization, and for your donation to support this worthy Catholic ministry. Please be generous in your response to Father's appeal.

We begin a new fiscal year this weekend. Our weekly giving goal has risen about 2 %, and there are several factors for this increase. First of all, we have had the Spring Sweepstakes for many years, which brought in about \$20,000 to our yearly budget. We just completed the last Sweepstakes. It took the work of many to make it successful. Secondly, our Quilting ladies are fewer and fewer. We cannot produce the number of quilts like we did in the past. In previous years this effort brought in a lot of money. We owe the quilters a tremendous debt of gratitude for all their work over the last 60 years. Our income from the quilting raffle is much smaller than before. There are no future quilters to replace these wonderful women. Finally, our fall Parish Picnic is not the great fundraiser as it was in the past. There is nothing to replace the shortfalls from these fundraisers.

Holy Family has had a long history of generosity. I believe that we can make the new budget goal. During the pandemic our collection leveled out because we could not depend on weekly attendance for the collection. Many of you dropped off your weekly contribution in the drop box, or sent it through electronic giving or in the mail. Financial treasure is about being good stewards of our wealth. It is not about everyone giving the same amount. We are all at different income levels. We need to give according to how God has blessed us. Is my weekly giving truly a love-sacrifice for the Lord or what is left after all the expenses?

I close with this prayer from St. Paul Catholic Parish, in Berlin, Connecticut.

"On this Independence Day I am reminded of those who have sacrificed for my freedom, following the example of your Son, Jesus Christ. Let me not take my freedom, both physical and spiritual, for granted. May I always remember that my freedom was purchased with a very high price. My freedom cost others their very lives.

Help me to live my life in a way that glorifies you, Lord. Give me the strength to be a blessing in someone else's life today, and grant me the opportunity to lead others into freedom that can be found in knowing Christ. Amen."

Have a safe, graced-filled 4th of July!

Fr. John

CATHOLIC QUOTATIONS

Freedom

I wish the intellect to range with the utmost freedom, and religion to enjoy an equal freedom, but what I am stipulating for is, that they should be found in one and the same place, and exemplified in the same persons.... I want the intellectual layman to be religious, and the devout ecclesiastic to be intellectual.

Saint John Henry Newman

The church is not a political power; it's not a party, but it's a moral power.
