Church and Office Demolition

Many of you have personally, as an eye witness, or otherwise, watched or viewed the demolition of our historical church built in 1901! Yes, there is sadness in the parting, I agree, however I recall and give thanks to our Heavenly Father for the many hundreds of sacraments and celebrations joyously celebrated in St. Mary Parish Church. Your forefathers and yourselves too, provided and continued the opportunity of the living and passing on of your beautiful Catholic Faith - we all should be gratefully again to our Heavenly Father, for being a part of this historical achievement and accomplishment. As we move forward, what is it we as a parish and individual can add to this tremendous Catholic growth? One person is a true blessing, but many numbers brings about greater blessings - everyone is important! Seeing and living your faith, is a tremendous blessing to us personally, and being part of this historical blessing. Questions have been asked regarding the old brick; as we have originally planned, all old brick is to be used for the foundation of a new road, running North and South, to connect us to the existing road in the church cemetery. In this way, we provide for us to remember both the living and dead as we circle and remember the goodness and faith of all, as we physically walk, pray, and remember! Continued blessings and remembrance to and for all. (Fr. Effie)

Lenten activities for families

***Go to our website**: Stmaryireland.com - click of Faith Formation at the top. Go to the link for kids. This will take you to Catholic Brain. com. Username is stmary2020 and the password is Stmary2020 (lowercase s for username) - click on the tab for Lent. Each day there is a short video with Fr. John. He does a short reading from the bible then gives the kids/families a challenge for the day. Very family friendly. Also, for kids age 3 to 10, go to videos - great material for your kids/grandkids to be watching: Saint Stories, Bedbug Bible Gang, Cherub Wings, Bugtime adventure and Lukas Storyteller. For older kids 40 day journey through the Bible and Adventure Catechism are great. Take some time this Lent and spend it with your kids watching something positive and inspiring.*

***Also Adults:** Take this time during Lent to help yourself grow spiritually. Under Faith Formation on our website: click on the Adult tab. This includes so much to choose from. Saint of the day, pray the Rosary, Daily Readings, Guide for Confession, Stations of the Cross and so much more.*

March 7, 2021 - Third Sunday of Lent

Many prefer a "create as you go" approach to life where laws and protocols primarily exist to secure and protect liberties rather than dictate and outline proper and right behavior. There are no real benchmarks for acceptable ethical and moral behavior, with a "you can't tell me what to do" attitude prevailing. Parents are even limited in what they can request of their children, and dealing with threatening behaviors, especially from adults, are a challenge as well. Acceptable and expected conduct seems to amount to safeguarding each other's space rather than increasing awareness of necessary relationships that require a more refined and higher response.

We have lost our axis to the world of "anything goes" and no longer see the Ten Commandments as practical and wise guideposts to effective living. We live on "relativism island" where only a possible suggestion to "love and do not harm" may be the only standard able to be preached. While Jesus most certainly emphasized love above anything else, it was never about warm fuzzy feelings or halfhearted humanitarian efforts. The love of which Jesus spoke establishes an intimate connection with God, neighbor, self, and creation. Because this love, who is God Himself, is at the foundational core of our lives, it demands actions and attitudes that serve to build up, increase, and free up those relationships. Love requires proper conduct. Preserving and enhancing these love centered relationships is at the heart of the Ten Commandments (and the Beatitudes) and the reason for Jesus' display of anger in the temple.

The Ten Commandments can save the world from turmoil and conflict by instilling basic moral and relational principles within us. They also hold a healthy sense of sin in balance and always remind us of our relationship with God and the freedom God offers. Our faith preserves these jewels of truth that we often look beyond, dismiss altogether, or seek to remove from public view. Human beings can be so arrogant at times. Our Lenten journey, especially when embarked upon with sincerity and resolve, can restore all of our essential relationships. When we get absorbed in life's preoccupations and demands, things can quickly get distorted and we can find ourselves way off track. In short, we find ourselves in sin. Humanity is losing a sense of both grace and sin. We need both to understand what is real and true. Until we do, the oppressive systems and ideologies that hurt so many will never change. We will never change. We are grateful for those courageous souls who willingly embrace the conversion and hard work Lent demands and stand against antiquated systems and ideologies. They give us hope that all is not lost. ©LPi

Chewing Gum & Holy Communion
(as per Catholic News Service)

There have been some comments on gum chewing and receiving Jesus in Holy Communion. Canon Law tells Catholics that they are to abstain from all food and drink (except water or medicine) for at least one hour before receiving Holy Communion. The reason, of course, is to remind us how special the Eucharist is, nourishing us for life eternal. Gum of any kind profanes the mouth as a receptor for Communion and should be avoided.

If you forget and have gum in your mouth, please dispose of it properly. Which means, do not put it under the pew. Do not go to Communion with gum in your mouth and receive Jesus.
