Going the Extra Mile

So often in life, people are concerned about the minimum requirements. What is the minimum I must do to get a certain grade? What is the minimum I need to do to receive the Sacrament of Confirmation? What exactly do I have to do to make my boss happy?

This concern does not stop with everyday life but continues into our relationship with God. What exactly is required of me for salvation? How much time, talent, and treasure are enough? Jesus does not call us to this way of life, but instead to a life of unbounding generosity and surrender. Jesus said, "If anyone forces you to go one mile, go with him two miles." The minimum requirement is one mile; however, we are not to be disciples of minimum requirements and checking off boxes.

We are to go the extra mile because that is how we bear witness to the transforming power of Jesus Christ. That is how we change lives and share the grace and love we have received in abundance. Nothing ever changes by doing the minimum. There is no real glory given to God by responding to His call with the minimum.

Imagine a world where all of us good stewards give without ceasing and go far beyond the minimum requirements. Our world would be a very different place. So, what is stopping us?

— Tracy Earl Welliver, MTS ©LPi

Welcome

BACK TO SCHOOL

August 7, 2022-19th Sunday in Ordinary Time

St. Thomas Aquinas reminds us that, “Three things are necessary for the salvation of man: to know what he ought to believe, to know what he ought to desire, and to know what he ought to do.” Everyone is called to work toward their salvation, which is ultimately union with God. Those who take this call seriously must embark upon a journey inward to the deepest recesses of their soul. In the adventure and wonder of that journey, we work out the details of our union with our Beloved. We cling to what we need to believe, remain firm in what we truly desire, and are guided by what we know we have to do. Once we know that our goal is to be one with our Creator, life becomes an exciting expedition to pursue that end. We make necessary preparations, follow the map, and remain on course.

Whenever we really want something, we put our entire selves into achieving it. Being fully invested in our labor, we willingly work extra hours, devote an abundance of energy and effort, and remain vigilant for beneficial opportunities that may come our way. We certainly do not passively sit by doing nothing! Such an attitude leads to laziness and the accomplishment of little. Worse yet, some look to others to do the work for them, hoping to reap the benefits of another’s efforts. Conscientiousness and diligence are the only means to success.

For the one who eagerly awaits the day when they can be fully with God, life becomes a joyous adventure indeed! Alert, ready, focused, convicted, and willing to be a servant they constantly watch and prepare themselves for meeting the Lord. Loving the journey and being in love with their Creator, their lives become joyful witnesses of love and service. They are secure in their hope, confident in their faith, and perfect in their love. Never looking for recognition or gratitude, they stand as gentle inspirations of what the Holy Spirit can do in the hearts of those who believe. Because we do not know what tomorrow will bring, we stand ready to be used as God wills and run eagerly toward Him when He comes. How much do we desire to experience the joy of salvation?
