*Then he took a cup, gave thanks, and gave it to them and they all drank from it." - MARK 14:23*

Jesus, the perfect steward, gave thanks, just before He gave Himself up for us, completely for our salvation. He offers us the same chance to drink from His cup. In the bread and wine, we meet Christ personally. If we follow Him, drinking from His cup means our own self-sacrifice, using all of our gifts for the benefit of others and to do His work on earth.

Dear Ones,

One down, two to go. I have completed the first of my three years at Pope St. John XXIII National Seminary and have found once again what it is like on the other side of the teacher's desk. It is good for this 40-some-year teacher to be a student again- it keeps me in touch with the real world outside of the classroom. I have been able to keep up with five classes each semester, write lots of papers and turn them in on time without having to pull all-nighters as I did in college, and get into the routine of daily Mass and Liturgy of the Hours, the latter both with the community and by myself. The food was all too good - I gained about twelve pounds, I have a good-size room to myself with an adjoining bathroom with my neighbor, and very lovely grounds to walk when I need to get outside. The seminary is located in Weston, Massachusetts, outside of Boston, the area being similar to our Ladue and Frontenac suburbs here in the St. Louis area - pretty expensive digs. Because of Covid I did not get to do any ministry normally assigned to a seminarian - my year usually being hospital or nursing home visitations. Nor did I get out very much into Boston for the same reason, but I did get to walk the Freedom Trail, and visit Paul Revere's house and the Bunker Hill Memorial. I have always loved American Colonial and Revolutionary War history, and I hope to be able to get to see more of the local sights in my remaining two years there. Old Ironsides - the USS Constitution is still on my bucket list to visit.

For this summer I have been assigned to St. Pius V Parish on So. Grand in the city. The pastor is an old friend of mine from seminary high school, college and theologate days, and we lived and worked together for three summers in inner city parishes in a seminary-sponsored boys' Leadership Enrichment Program (LEP) at the time. So, I am greatly looking forward to getting reacquainted with him after all these years. I also hope to take at least one class over the summer at Kenrick Glennon Seminary to add to my hours at Pope St. John, getting close to completing a Masters of Divinity degree (MDiv) if not finishing by the time I will be up for priesthood ordination in the spring of 2023. What I do not finish before ordination I hope to continue afterward.

I miss all of you very much. I have had some periodic homesickness, being a two-day drive away from you and my local family, but I have greatly appreciated all of your prayers and best wishes, notes and cards that have greatly helped to keep me going. I have you all in my daily prayers for your good health and safety. I will try to get back to St. Andrew for periodic visits when I can. I have already been able to attend a 50+ Club gathering and have visited some of you in your homes. My contact information has remained the same, so if I can be of any help to you via my prayers, or personal visits while home in St. Louis, please let me know. By the publication time of this bulletin I will have had my second Covid vaccination and should be good to go just about anywhere.

I love you all and ask the Lord for His continued blessings on our St. Andrew Parish family.
