# THANKSGIVING FOOD DRIVE

We will be collecting nonperishable food items again this year to support St. Joseph's Pantry. The food item of the month at the pantry is canned fruit. They have a goal of collecting 1,000 cans of fruit. Peanut butter and canned meat being of special need.

Donations will be collected in the grocery cart in the Narthex or at the West entrance from November 16-24.

## WE HAVE A NEW AED

We are excited to announce the replacement of our AED (automated external defibrillator) unit. The wall-mounted unit is in the hallway by the inside the West entrance.

### What is an AED Used for?

AEDs are used to help those experiencing sudden cardiac arrest. This easy to use, medical device can analyze the heart's rhythm and, if necessary, deliver an electrical shock, or defibrillation, to help the heart re-establish an effective rhythm. The device is designed to be user-friendly, with clear instructions on how to use it in case of an emergency.

We received gifts from parishioners to begin to offset the cost of the unit. Continued gifts are much appreciated.

## DECK THE HALLS!

Honor your loved ones by supporting our Christmas Flower Fund! Your envelope is in this month's packet. Just complete the back of the envelope with your loved one's name when making your donation. No envelope? No problem. Just use any envelope and include a note with your contribution. Online gifts can be made by visiting our website at [stpaulcl.com](http://stpaulcl.com) or by texting CHRISTMAS to 920-488-9400.

Beginning December 8, you can vote on-line for the Vida choir, or one of the other four causes, at [www.thrivent.com](http://www.thrivent.com). The top vote getter receives \$15,000.
