BOB SEERING

PARISH CUSTODIAN

Deacon Jeff's Corner

Today we end the Christmas season with the celebration of the baptism of Jesus. Jesus is proof of how important this Sacrament is. So if you know of someone who has not been yet baptized, young or old, please stress to them how essential this is!

Since we just began a new year and have made many resolutions, I would like you to think for a moment on what you may have decided to resolve for 2022. I'm sure many of you, like me are looking to lose weight. For me, it is simply to eat healthier and let everything else take care of itself. But what about a spiritual resolution? Is there anything in your life from that perspective that you would like to change or enhance? There are several things I'd like to do this year, but I think my main spiritual goal is to help our parish by reflecting on a quote from St. Francis of Assisi:

"Start by doing what is necessary; then do what is possible, and suddenly you are doing the impossible."

My prayer for our parish family and for myself is to attempt to follow this simple directive from St. Francis. First and foremost, take care of what needs to be done every day; then dream a bit about what is possible here and work with others to see if it is indeed possible. If our work here is for God every day of the year, what seems impossible can and will be done!

Think of where you would like this parish to be; what you would like to see here to make it a better place? Join one of our many wonderful committees and together, we will be able to accomplish what may now seem impossible and make this a place where the love of God is felt every day!

Good Mourning
Ministry

"Thank you for providing this safe and welcoming place to grieve and for gently guiding us further along our paths to healing — empowering us along our way."

There are no stages to grief. We all experience loss in our own unique way. Healing is an intentional process, where we gather together as a community of faith to become disciples of hope. It is through prayerful reflection, practical learning and personal fellowship that we mourn. "Grieving with Great HOPE" is a 5 week grief support workshop. All who are grieving the death of a loved one are welcome. Please feel free to share with friends and family.

BULLETIN DEADLINES

Items for the weekend Bulletin are due in the office the Monday prior by 9am.
Contact Marsha with any questions mloritz@popgb.org.

MASS INTENTIONS

SPIRITUS missionaries are young adults who give nine months of service to ignite the faith of our Catholic youth. They will be here next week to lead our Confirmation Student Retreat and during Mass share how they are inspiring the youth of our parish and throughout Wisconsin. After their brief witness, they will invite parishioners to partner with their missionary efforts through prayer and financial support.

HOPE

by Deacon Bill

In Luke's gospel for today, the Feast of the Baptism of the Lord, we hear that the people are "asking in their hearts whether John (the Baptist) might be the Christ." From our modern perspective, we might think this to be a foolish question. We were raised in a Faith that is over twenty centuries old and leaves no doubt (hopefully) that Jesus is the Christ, the Son of the Living God. So why would these people be so confused?

The Jewish people at the time of Jesus and John were in great difficulty, both in politics and religion. They were living in a country that was occupied and ruled by a foreign power, namely Rome. The leaders of their own religion had also made it very difficult for them to follow the rigid laws they believed to be necessary to be people of faith. They needed hope that somehow they would be delivered from their difficulties and enjoy the life they believed they should have as children of God. So, it would make sense that anybody who came along proclaiming the Kingdom of God might be the one they were waiting for.

Here we are today. Modern technology has made it so easy to have and to do seemingly anything we put our minds to. Yet isn't it true that we're trapped? We have this global pandemic that seems to ebb and flow, making us almost schizophrenic, going from thinking everything's going to be OK to finding out that there's another new variant waiting to confuse medical science. We have tensions growing between nations of the world. In our own country, our political "leaders" seem to be more interested in party loyalty than in serving the people. What are we to do? Where's the hope in all this?

If you are interested in booking the **Red Sanctuary**, **Blue Marian** candles or booking a **weekday or weekend Mass starting Jan. thru Dec. of 2022**, please contact the parish office at 468-5718. If we are not available to take your call, please leave a message and we will call you back.
