## Deacon Jeff's Corner

Amazingly, we are already at Thanksgiving week! I hope and pray this is a time of reflection for each of you. In the face of so many difficulties in our world and in our own lives, we still need to thank God for the many blessings in our lives.

One of the greatest blessings we have as Catholic Christians is the Mass, and especially the Eucharist, where Jesus comes to be a part of us. He nourishes us not just spiritually but physically. The Eucharist can do both, and we often cannot appreciate it!

If you would really like to thank God for all the blessings in your life, come to Mass on Thanksgiving Day. No, it is not a holy day of obligation, but it is a great time to reflect on your blessings. Mass is at 9:00am. Hopefully, that time is not too inconvenient! Join your parish family in thanking Jesus for everything and everyone that is a part of making your life better.

By the way, the word, "Eucharist" means thanksgiving. May this Thanksgiving be blessed with the true thanksgiving, Jesus, your best friend!

**The Salvation of St. Dismas**

Jennifer Mahoney

Although it is nearly Advent, in today's Gospel we journey back into Christ's Passion. The encounter between Jesus and the two criminals who die with Him always amazes and entralls me. In different seasons of my life, I've been able to identify with each of them.

As we enter into times of suffering, the devil is very good at finding an angle to put our faith to the test. The age old question, "Why does God allow bad things to happen?" comes forth. Like the first criminal, we may be tempted to demand a sign or an answer from God. We may bargain with Him, or even become angry with Him. He hears you. And even if your prayers may not be answered in the way you had hoped, He is suffering with you.

And then there is "the Good Thief". Sacred tradition gives him the name Dismas. I marvel at his reaction to the horrific death they are about to endure. What had he heard about Jesus to inspire such a faith? Or maybe, had he met Jesus before? However he came about it, his faith, like ours, is truly a gift. He recognizes his sinfulness and yet in Christ crucified he knows God's mercy. He doesn't seek to avoid suffering. Instead, he *enters into suffering* with Jesus. He asks only to be remembered in the kingdom of Heaven that is to come.

Throughout all salvation history, God sees us, hears us, and remembers us. We know from the cross that our suffering is not meaningless. There is no trial too big or too small to offer up to our Lord. With humble acknowledgement of our sins and trust in God's mercy, we can take the path of Dismas and hope to join the saints with Jesus in Paradise.

The best way we can celebrate Christmas is by giving our gifts to Jesus – gifts of love and thankfulness. It is a time when we can stop and remember those who are often forgotten. We can reach out to help those in need. We can show our thankfulness to those whose need is greater than ours. Why not take this opportunity to do something that opens the door to further discipleship in our lives. When you give gifts at Christmas time you are reflecting the very nature of God.

In order that the less fortunate in our community will have a better Christmas, on your way out of church during the week, on Saturday evenings or Sundays, November 19 thru December 11, please take a tag to help others at Freedom House, Denmark Community Cupboard, NEW Community Shelter, St. John's Homeless Shelter, Brown County Treatment Center, McKinney Vento and the Preble Hive. Please bring your unwrapped gift with the tag attached back to us by December 12.

And don't forget SCRIP/Raise Right...a great idea in purchasing a gift.

Thank you from your Helping Hands Ministry
