PARISH MISSION STATEMENT

As a diverse urban parish rooted in Christ's Gospel and Catholic tradition, Our Lady Queen of Peace is committed to building a community of faith through worship, education and service.

With Mary as our example of unconditional love, we aspire to demonstrate God's forgiveness and serve as channels of peace, compassion and stewardship to all we meet.

I am so happy to be among you
GOD BLESS YOU

**Queridos Parroquianos de
Nuestra Señora Reina de la Paz**

Mil gracias por su cariñosa
bienvenida para el
Padre Angel Anaya

Estoy tan feliz de estar entre ustedes
DIOS LES BENDIGA

**The COVID DELTA variant is concern for
people both vaccinated and not**

- If you are fully vaccinated, you can participate in many of the activities that you did before the pandemic.
- To maximize protection from the Delta variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.
- Wearing a mask is most important if you have a weakened immune system or if, because of your age or an underlying medical condition, you are at increased risk for severe disease, or if someone in your household has a weakened immune system, is at increased risk for severe disease, or is unvaccinated. If this applies to you or your household, you might choose to wear a mask regardless of the level of transmission in your area.
- You should continue to wear a mask where required by laws, rules, regulations, or local guidance.

If you have a condition or are taking medications that weaken your immune system, you may NOT be protected even if you are fully vaccinated. You should continue to take all recommended precautions for unvaccinated people until your healthcare provider tells you otherwise.

**La variante COVID DELTA preocupa tanto a
las personas vacunadas como a las no vacunadas**

- Si está completamente vacunado, puede participar en muchas de las actividades que realizaba antes de la pandemia.
 - Para maximizar la protección contra la variante Delta y evitar la posibilidad de propagarla a otras personas, use una máscara en lugares públicos en lugares cerrados si se encuentra en un área de transmisión considerable o alta.
 - Usar una mascarilla es más importante si tiene un sistema inmunológico debilitado o si, debido a su edad o una condición médica subyacente, tiene un mayor riesgo de enfermedad grave, o si alguien en su hogar tiene un sistema inmunológico debilitado, está en mayor riesgo de enfermedad grave o no está vacunado. Si esto se aplica a usted o su hogar, puede optar por usar una máscara independientemente del nivel de transmisión en su área.
 - Debe continuar usando una máscara cuando así lo exijan las leyes, las normas, los reglamentos o las directrices locales.
- Si tiene una afección o está tomando medicamentos que debilitan su sistema inmunológico, es posible que NO esté protegido incluso si está completamente vacunado. Debe seguir tomando todas las precauciones recomendadas .
