High school students: need service hours?

We are looking for new volunteers to help serve Coffee & Donuts each Sunday after the 7:30 a.m. or 9:00 a.m. Masses. It's easy and fun! Families can choose which Mass time to serve. Students earn Christian service hours! If you are interested, please contact Daryl Wilson at dwilson@stjudecatholic.com or the parish office at stjude@stjudecatholic.com.

New Women's Program!

Magnify – Pursuing Virtue as a Feminine Genius is a 90 day program to help women grow in knowledge of the saints and virtues as well as developing habits of prayer and mortifications which will help you grow closer to Christ. It is based on a book – Magnify by Kaylene Brown. Additionally, we will meet weekly (or as your schedule allows) to check in with each other, support each other in our walk, and grow in community. The goal of the program is not perfection, but progress. We will begin with the virtue of Humility and St. Gemma Galgani on January 17th and finish on Easter! If you are interested, we will have an introductory meeting on January 10th at 6 pm in the small room of Hettinger Hall. Points of contact are Karen Flaherty, Meg Jennetten and Julie Stedwill. We will have books available for \$10. You can email Karen Flaherty at karenandboys2002@yahoo.com to reserve a book or to ask questions or check out www.mag90.com for all the details. We pray you will join us!

Make a difference in the lives of Peoria Children

Seeking new volunteers: Come and have fun as a member of the Peace Pal Program at Trewyn Grade School. You will enjoy spending 20-30 minutes with three assigned students in 1st grade. The goal is to help improve reading achievement. No reading expertise is required. If you love children, you are already a perfect fit. The program begins the first week of January. You can truly make a difference in a child's life. Call Louise McCann at 243-5722 or email her at gjmccann2@gmail.com for more information.

Money counting help needed:

Many of those who worked in our Sunday morning money counting ministry are not coming back. We are looking for new members for this group. If you are interested in helping with this task, please contact Donna in the Parish Office. We have a group of people who count the collections after the 9:00am Mass. It takes approximately one hour. Please consider helping!

Accompany the Gala Decor team as they take

"A Walk in the Woods"

The Gala Decor team is in need of your ferns at the end of the season! Instead of tossing them out consider donating to help make our venue an Enchanted space in February. Do you have a greenhouse or sunroom at your home? Would you consider wintering our ferns until the event in February 2022 and then be our guest at the event? Please contact Sheris Catton at (309) 397-8680 or sheris.catton@gmail.com with any plant donations or space to keep them warm. Thank you so much!

Sponsorships: Please consider supporting the St. Jude Fire and Ice Gala. Donations are welcomed and greatly appreciated. To make a donation, please contact Christen Bergstresser at (309)258-7110 or henbycm@gmail.com. Did you know you can also sponsor the event? There are several sponsorship levels available! For more information on becoming a sponsor, please contact Erin Pike at (402)250-4105 or empike@gmail.com.

SVDP SOCIETY UPDATE

Burdens which seem overwhelming

We recently met a young single mother who requested our assistance in paying her rent. Her story was distressing. She had been in an abusive marital relationship; but was able to leave that situation a couple of years ago. She is now living with her teenage child in another town. She had a good job at a local hospital as a CNA for several years until she suffered an injury that required surgery, and she is no longer able to work in that capacity.

She used up her sick time, and started on unemployment, but was then diagnosed with cancer. She has undergone two surgeries, then her unemployment stopped—leaving her unable to pay her rent. She was advised to be off work until mid-January to recuperate, and then tests would be performed to determine if she needs chemotherapy.

She is bright, articulate, and a little embarrassed to be asking for assistance; but is overwhelmed with worry about her health. She had exhausted her savings, and was very concerned that she might be evicted. Her landlord shared with us that she is the ideal tenant—pays her rent on time, takes good care of her house, and she wanted to keep her as her tenant if at all possible. But, our FIN had no income, and no assets to sell.

We are fortunate as Vincentians to have an active in-service program where we learn about community resources, social service agencies, and programs to assist those in need. We suggested that she apply for food stamps (LINK), disability, temporary cash assistance for needy families (TANF), and the IRS child tax credit. We also suggested that she consider applying for a clerical position in the healthcare field at a later time after she heals from her surgeries.

We were able to partner with another local agency to pay her December rent, and we both gave her food and pantry items. When we contacted her two weeks later, she told us she had good news; she now had LINK and TANF! She was thrilled that she could pay her rent and utilities, and felt blessed by our collective actions and assistance.

We are thankful that we were able to show God's love to her, and we pray for her complete recovery. We appreciate your generous donations which permit us to help others.

Recognizing God in Ordinary Moments

The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.

Heart OF THE

PARISH

CAMPAIGN PRAYER

Heavenly Father,

We thank you for all of your blessings and for your unfailing love that makes us your sons and daughters. Your providence has guided our steps each and every day. Through the hands of St. Joseph, we offer our church project to you. May it bring glory and honor to your name, and inspire the conversion of souls for generations to come.

Send your Holy Spirit upon us and open our hearts to generously respond to your call, so that, like St. Jude, we might set the world on fire with your love and truth.

We ask this through the intercession of Saint Jude and in the name of Jesus Christ Our Lord.

Amen.
