New Adult Faith Bible Study The Bible and the Church Fathers

As Christians, we should want to know our family tree. We should want to know who has gone before us in Faith, where they came from, and what they believed. In this study, you'll learn who the Early Church Fathers were and how they shaped the way we read Scripture. We will learn new insights for reading Scripture, and you'll understand Scripture's relationship to Tradition and - in particular - the Sacraments. The Church Fathers' love of God's Word transformed their lives - just as it has the power to transform ours today! Join us in this educational study.

12 weeks, beginning Tuesday, January 25th

9:30-11:00am - meets in-person, Hettinger Hall

SVDP SOCIETY UPDATE

Many friends in Peoria living in Poverty

Tomorrow we celebrate Martin Luther King Jr. Day – a good day to reflect once again on Martin Luther King’s dream that “. . . one day this nation will rise up and live out the true meaning of its creed: ‘We hold these truths to be self-evident that all men are created equal.’” Certainly, there are differing opinions on how much progress has been made toward that dream, and poverty statistics would indicate that there is much progress still to be made.

The U.S. Conference of Catholic Bishops has designated January as Poverty Awareness Month. One can discover much about poverty in our country and also here in Peoria County by going to the website www.povertyusa.org/ learn. On that site, the “Maps and Data” area shows that in 2019, 13.4% of U.S. residents were living in poverty and there are further breakdowns of poverty by gender, by race, by age, etc. In narrowing down to Peoria County, one finds that we have a greater percentage of people living in poverty than the nation as a whole. In Peoria County the poverty rate is 15.6%. Broken down into race, we learn that 35.8% of blacks are living in poverty as compared with 10.6% for whites. Percentages are also higher for Hispanics and Native Americans. While there are certainly many reasons for these differences, research shows that much of the disparity today results from systemic issues – both past and present. We see this disparity play out in calls for help to our St. Vincent de Paul Society. While poverty can be the result of poor choices, many of those poor choices are often a result of lack of education, poor nutrition, poor health care options and more. Those of us on the St. Vincent de Paul committee try to do our part by treating our FINs (friends in need) with Christian love and dignity, knowing that God created and loves each one of us. We do our best to not only address the direct need, but also to encourage our FINs to pursue more education, and to use other resources within the community for job training, budget counseling, health care, parenting help, pregnancy resources and more. Would you be willing to join us as we try to help reduce the poverty rate right here in Peoria?

Would you be willing to join us as we try to help reduce the poverty rate right here in Peoria?

COVID continues to challenge our desire for home visits, but we have teams of people who will deliver pantry goods to the doorstep of families who need them after we do phone visits. Our most needed items this week are paper towels and size D batteries. Please consider helping us by leaving these items in the SVdP bins as you come to church next week. Thank you so much.

EVERYDAY STEWARDSHIP

Recognizing God in Ordinary Moments

It Takes All Kinds

“If every flower wanted to be a rose,” wrote St. Therese of Lisieux, “spring would lose its loveliness.”

Who is God asking you to be today? There is an obvious answer that springs to mind right out of the gate. God wants me to be a good person (a good father, a good husband) today; today, God wants me to be a saint.

But this answer fails to get to the heart of the question. We are all striving today to serve the same Spirit, but we are given different gifts to do so. The one who has the gift of knowledge may fail if today he decides he wants to be a healer. The one who has the gift of “varieties of tongues” might falter in the expression of wisdom.

Think about the wedding at Cana and the players in the scene: the servers, the guests, the bride and groom. They all have a unique role to play, and though it is to the servers that Mary gives the instruction, “Do whatever he tells you,” her words apply to all.

Today, are we called to be the servers — do we wait on God’s instruction and carry it out, no matter how foolish or impossible it may seem to our human ears? Are we asked to be the disciples, to bear witness to a miracle and to give our testimony? Are we called to imitate the Blessed Mother herself and give encouragement to follow God’s word?

Let us examine our gifts and listen in the silence of our hearts to the direction of the Spirit. Then and only then, let us do whatever He tells us.

— Tracy Earl Welliver, MTS

Welcome

Sr. Marie Jeanette Lewis, OP

My name is Sr. Marie Jeannette, O.P. and I am so excited to be joining the wonderful community at St. Jude!

I am originally from Charlotte, NC and I moved to Michigan to join the Dominican Sisters of Mary, Mother of the Eucharist in 2011. I professed my perpetual vows in 2019 and the adventure has only just begun! I currently hold a BS in Special Education from Eastern Michigan University and have experience teaching in both the elementary and secondary grades in Michigan, Texas, and California. When I am not teaching, I can usually be found hiking, working on projects, or enjoying a cup of tea and a huge book!
