REDEDICATION FESTIVAL WEEKEND

June 11-12, 2022

As we pass the half-way mark of the renovation of our parish church in Portage, it is time to start planning for our return! We will still be under construction in May, the usual time for Best Fest, so we will plan to combine our rededication of the church with a weekend of festivities in June.

This is a momentous occasion in the life of our parish! If you are interested in being a part of the planning for that weekend's festivities, we welcome you to a parish planning meeting on Tuesday, January 11 at 6:30PM [at our Murphy Road site] Please come and share your ideas and be a part of the planning of an event worthy of this once-in-a-lifetime occasion!

Fr. Gary will be leading a 12-day pilgrimage to the Holy Land from September 26 - October 7, 2022.

Fr. Gary and Fr. Kevin (a seminary classmate) will be Co-Spiritual Directors on this pilgrimage.

Bishop Hying recently referred to a Holy Land Pilgrimage as "The Fifth Gospel." It is an opportunity to walk where Jesus walked and experience the Gospel of Jesus Christ beyond the written word.

If you are interested in learning more, Fr. Gary will lead informational meetings on :

- Sunday January 9 at 1230 PM (in Briggsville)
- Tuesday January 11 at 4:30 PM (after the 4:00 Mass)

Informational meetings will be held at the St. Mary of the Immaculate Conception Church (on Murphy Road). Brochures are available at both churches, in the parish offices and can be mailed upon request.

ST. MARY SCHOOL NEWS

Happy New Year from the Fourth Grade Class!

After a nice, relaxing Christmas break, we are back at school to learn more interesting things!

We are continuing our study of the Ten Commandments in Religion class and how they pertain to a fourth grader. We have done a great job memorizing the first two commandments already and adding the numbers to our certificate! It is fun to act out the pantomime of when Moses received the Ten Commandments from God.

In Science class we are learning to classify plants and animals into categories.

We are studying early explorers who came to Wisconsin such as Jean Nicolet and Marquette & Joliet. We are learning the routes they took from France to Wisconsin using our desk maps. It is also interesting that the French sent missionaries and others to start up a fur trading business with the Native Americans.

In Math we continue to practice our multiplication facts and will soon be multiplying by two digit numbers.

We hope all of you have a happy and healthy new year!

Mrs. Daley and the 4th Graders

Thank you to all who were a part of the Christmas decorating at St. Mary, Portage and St. Mary, Briggsville, either by making a donation or helping with the actual decorating. Your participation is greatly appreciated.

Merry Christmas and Happy New Year!

Lisa Dougherty and Sister Anita

ST. MARY PORTAGE FAITH FORMATION

The Faith Formation program in Portage is looking for a teacher's aid in two classrooms, one for Grades 4-6 and one for 9th Grade.

A teacher's aid helps take attendance and is a second adult in the classroom to help with any tasks needed and to help supervise our students.

Faith Formation meets three Wednesday a month from 6:00-7:00 PM.

If you are interested, please contact Father Gary at garyk@stmaryotic.org or call 608-742-6998 x214

ST. MARY OF THE IMMACULATE CONCEPTION RENOVATION REPORT

Your weekly update on the progress of the renovation at St. Mary of the Immaculate Conception.

Utilities Get More Complex

It seems as though every time someone walks onto the St. Mary Renovation site, the structure just becomes busier and busier. A lot has been happening on site, but one has to look closely just to see how much. In these past days and weeks, the crew has been moving beyond the structural component of the project to more detail-oriented and specific parts. Most notably, work continues to move forward as the crew runs electrical conduits, plumbing, and HVAC throughout the entire site. Crews have done everything from run new fire-prevention systems to wrapping ductwork and have even installed electrical boxes in all of the designated places!

Addition Framing Nears Completion

The past week saw another massive milestone for the renovation project at St. Mary of the Immaculate Conception as crews drew closer to finishing up the interior framing for the addition. Much of the Lower-Level space has been framed for weeks, allowing the crew to move forward with utility work in that area. With the drywalling of the Upper-Level ceiling complete, crews could finally begin installing the steel studs which are already starting to divide up the space. This particular image shows the framing in the northern section of the addition, which will be home to a new Vesting Sacristy for the Priest, Deacons, and Altar Servers, as well as new male, female and family restrooms. While this area will be closed in, the southern area will remain mostly open to allow much-needed natural light to fill the new Gathering Space.

Work Moves On in Sanctuary Space

The image on the right is a sign of hope for the congregation at St. Mary of the Immaculate Conception. While many things have changed onsite, the one thing that hasn't is the feeling of our Worship Space. The iconic dark timbers and the natural brick are still highlights of this space and will be the foundation for the work that will happen here in the coming weeks. With the space cleared of all obstructions, the crew can begin work on transforming this blank canvas into a beautiful masterpiece, which we will combine the feeling of a new and inviting space with the legacy and countless generations of years past.
