2nd Sunday in Ordinary Time

“**JESUS**,” the shortest prayer. I intend to share with you about the NAME OF JESUS which is the shortest, simplest, and most powerful prayer in the world. It is called the “Jesus Prayer,” and it consists simply in uttering the single word “Jesus” (or “Lord Jesus,” or “Lord Jesus Christ, have mercy on me, a sinner”) in any situation, at any time and place, either aloud or silently.

There is only one prerequisite, one presupposition: that you are a Christian. If you have faith in Christ, hope in Christ, and love of Christ, you can pray the most powerful prayer in the world, because you have real contact with the greatest power in the universe: Christ himself, who assured us, in his last words to his apostles, that “All authority in heaven and on earth has been given to me.” (Mt 28:18)

It is also the simplest of all prayers. It is not one of the many “methods,” because it bypasses methods and cuts right to the heart of practicing God’s presence, which is the essence of prayer, the secret of which has been given to us by God the Father. The secret is simply God the Son, God incarnate, the Lord Jesus.

What it is: Grace. In saying it brings God closer, I do not mean to say that it changes God. It changes us. But it does not just make a change within us, a psychological change; it makes a change *between* us and God, a real, objective change. It changes the real relationship; it increases the intimacy between us with God. It is as real as changing your relationship to the sun by going outdoors. When we go outdoors into the sun, we do not move the sun closer to us, we move ourselves closer to the sun. But the difference it makes is real: we can get warmed only when we stand in the sunlight - and in the Sonlight.

When this happens, it is not merely something we do but something God does in us. It is grace, it is his action; our action is to enter into his action, as a tiny stream flows into a great river. His coming is, of course, his gift, his grace. The vehicle by which he comes is also his grace: it is Jesus himself. And the gift he gives us in giving us his blessed name to invoke is also his grace. So, therefore, his coming to us in power on this vehicle, this name, is also pure grace. Even our remembering to use this vehicle, this name, is his grace. As Saint Therese said, “Everything is a grace.”

Jesus!, is a prayer that I (you) can say at any moment, in every place, and in any situation!
