Happy Mother's Day!

Feliz día de la Madre

Parish News and Words from Our Pastor

by Fr. Bart Timmerman

Fourth Sunday of Easter: Good Shepherd Sunday

Good Shepherd Sunday is a day to focus on Jesus' role as shepherd of souls and our role of following His voice wherever He goes. Let us pray today for the grace to follow where Jesus is calling us. Because of this theme of listening to the voice of Jesus, today is also the **World Day of Prayer for Vocations**. While appreciating all vocations, the Church concentrates its attention this day on vocations to the ordained ministries (priesthood and diaconate), consecrated life in all its forms (male and female religious life, societies of apostolic life, consecrated virginity), secular institutes in their diversity of services and membership, and to the missionary life. Pope Francis tells us: *"There can be no greater joy than to risk one's life for the Lord! I would like to say this especially to you, the young. Do not be deaf to the Lord's call. If He calls you to follow this path, do not pull your oars into the boat, but trust Him."* Let us pray for the young people in our community, and in our families and circle of friends. May our prayers help them to be open to the Lord's call to consecrated life or priesthood. It is also a good practice for us to ask a young person, "Have you ever considered a vocation to the priesthood or religious life?"

Happy Mother's Day

Moms make life beautiful! St. John Vianney, patron saint of priests, said, "Virtues go easily from mothers into their children's hearts. Children often willingly do what they see being done." We are so grateful for our moms and all they have done to raise us. We should love and respect our

mother every day, but we honor her in special ways on Mother's Day. If she is still alive, perhaps we can make time to call, write or grace her with the present of our presence. If she has died, we can pray for her or visit her grave. Today, we thank God for our mothers and ask God's blessing upon them for all they do for our families, especially for the many ways they have brought us closer to Jesus Christ through sharing the gift of faith with us. The special bond between mothers and children comes through a particular blessing from God. God gives mothers strength, wisdom, and patience and an abundance of love to share. May God continue to bless our mothers today and shower His blessings on them every day as they share God's love so freely and selflessly. We are so blessed by all the exceptional women of our STA Parish. May God bless our Mothers, and all those women who have been like mothers to us. Happy Mother's Day!

May - The Month of Mary

Today, as we begin the month of May, we will be celebrating May Crowning after our Masses. May is the Month of Mary and May Crowning is a traditional Catholic devotion where love and honor for our Blessed Mother is expressed through Marian hymns, prayers, and flowers.

Emeritus Pope Benedict XVI, in his weekly address to the faithful on April 30, 2006, explained Mary's month in this way:

"In the days that followed the Lord's Resurrection, the Apostles stayed together, comforted by Mary's presence, and after the Ascension they persevered with her in prayerful expectation of Pentecost. Our Lady was a mother and teacher to them, a role that she continues to play for Christians of all times. Every year, at Eastertide, we relive this experience more intensely and perhaps, precisely for this reason, popular tradition has dedicated to Mary the month of May that normally falls between Easter and Pentecost. Consequently, this month which we begin tomorrow helps us to rediscover the maternal role that she plays in our lives so that we may always be docile disciples and courageous witnesses of the Risen Lord. Let us entrust to Mary the needs of the Church and of the whole world."

We pray through Mary's intercession for an end of the health pandemic, war, violence, division, and healing for the whole world.

Gospel Reflection

by Dcn. Jerome Buhman

John 10:27-30

Today is Good Shepherd Sunday, in which we hear every year a different selection from the tenth Chapter of John's Gospel. Today's selection is quite short, containing only four verses, but those verses are packed full! In fact, Pope Francis explains that "[t]hese four verses contain the whole of Jesus' message; it is the nucleus of his Gospel: he calls us to share in his relationship with the Father, and this is eternal life." The relationship between a shepherd and the sheep is one of love and trust. In the fields at night, a good shepherd would make a temporary enclosure for the sheep from bushes and thorns, and then would lay down in the entrance to protect the sheep – literally laying down his life for their safety. For their part, the sheep had to listen to the voice of the shepherd and follow where he leads – because a good shepherd doesn't drive his sheep from behind, but goes before them, calling to them and showing them the path to take. So, on this Good Shepherd Sunday, take some quiet time to listen for the Shepherd's voice and hear where he is leading you.

“TAKE COURAGE, IT IS I; DO NOT BE AFRAID.”

The Disciple Maker Index and Parish Renewal

You may recall seeing some Disciple Maker Index (DMI) data from the Diocese as a whole in the April 7 issue of the *Catholic Herald*. As we approach our Parish Renewal on May 9-11, it is a good time to reflect on the results of our parish's response to the DMI from autumn 2021. We will be using those results to inform our Renewal and we encourage you to attend; Fr. Bart would love to hear your voice as we determine parish priorities for the near future.

One of the possible priorities identified through analyzing the DMI is our need to nurture a deeper relationship with Christ.

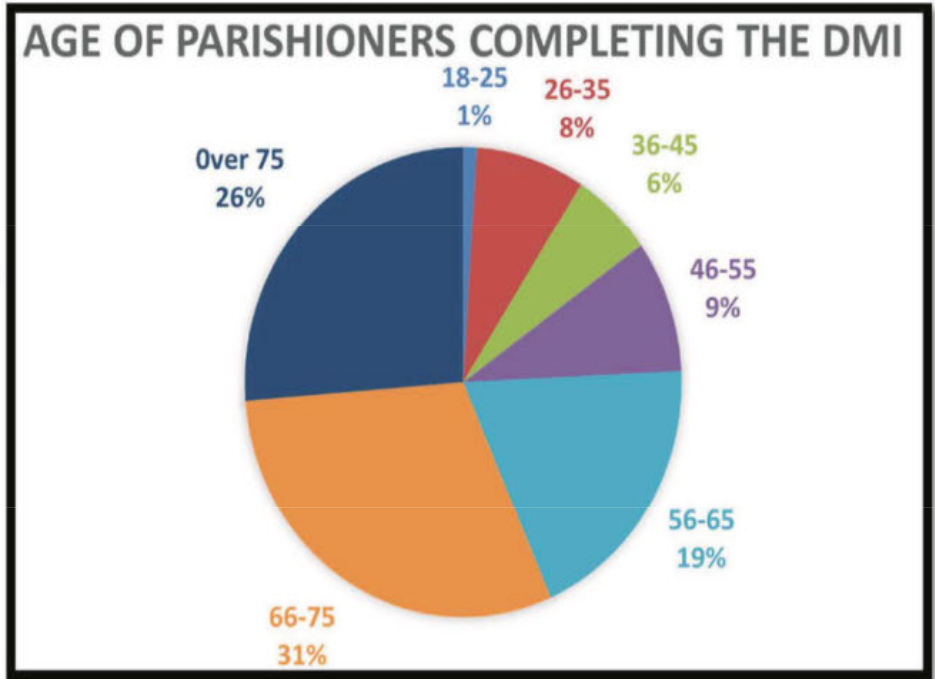

We want everyone to know Jesus as a friend, so this could be an area on which to focus, possibly by bolstering daily prayer, small groups, Scripture study and retreats

Another priority identified in the DMI might be the need for our parish to better engage young people. Parishioners heavily involved in the life of the parish indicated the parish's greatest needs:

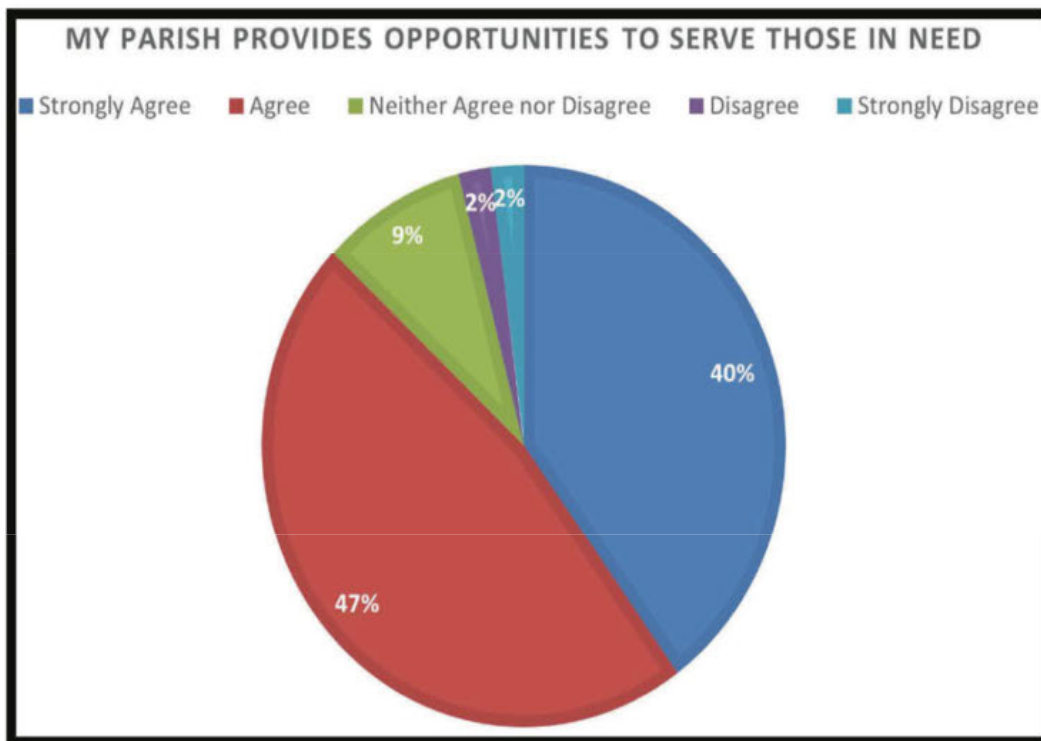

The need to better engage our younger members is also highlighted by the age demographics of the 60% of our parishioners who completed the DMI: →

The future depends on engaging the young single adults and adults with young families, so this might be a vital area on which to concentrate in the next several years.

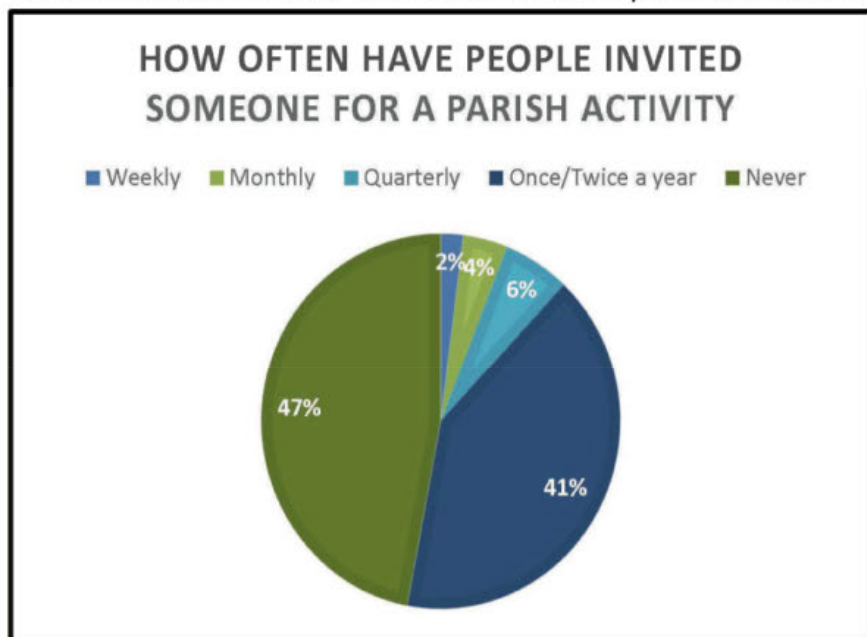

A third priority arising from the DMI data could be encouraging involvement in ministries as a way of living our baptismal call. Baptism calls us to serve others, and as a parish we must help each other answer that call to service in the community. A great opportunity presents itself to move parishioners from the Agree category to Strongly Agree. There is also an opportunity for the parish to provide tools

to help parishioners discern their gifts and talents that can be used in the service of the community.

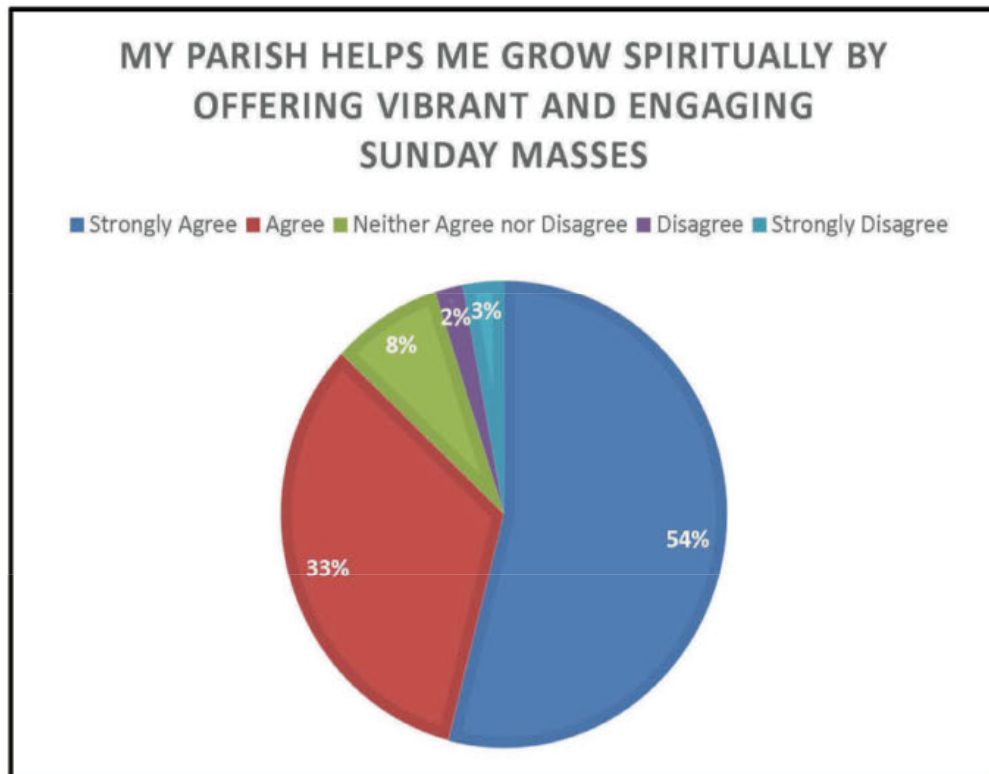

Another priority pointed to by the DMI is cultivating an invitational stance in order to grow as an inviting parish. We believe God gathers us into a community of faith. The parish should grow as the Body of Christ where each member feels welcomed and is proud to invite a friend. The percentages in this chart

provide a snapshot of our parish’s invitational stance at the time the DMI survey was taken. While the pandemic may have had some affect on the numbers represented here, the data shows a clear opportunity to focus on developing an invitational dynamic.

A final possible priority revealed through the DMI is growing in appreciation of the Mass. We believe the Mass is source and summit of all that we are as the people of God.

The parish would like to grow in its love for the Mass and its mandate to share the Good News. While the appreciation of the liturgies is high at St. Thomas Aquinas, there is definite opportunity to strengthen our love and gratefulness for the Mass.

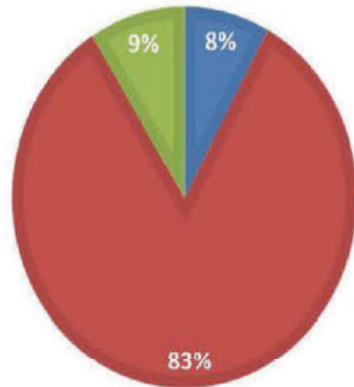

Holy Habits

Part of the Diocesan Go Make Disciples evangelization initiative is to cultivate personal holiness through basic habits of discipleship such as daily prayer, Sunday Mass and monthly reconciliation. These three activities are crucial in our own spiritual growth as well as for the growth of our mission as evangelizers. Here is how STA parishioners responded to these vital questions.

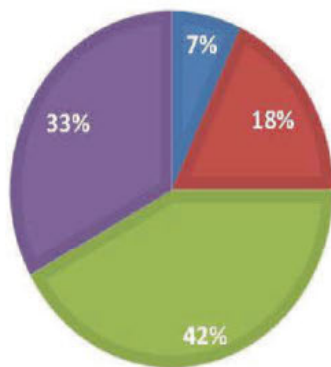

HOW OFTEN DO YOU ATTEND MASS?

■ Daily ■ Weekly (The Goal!) ■ Not as Often

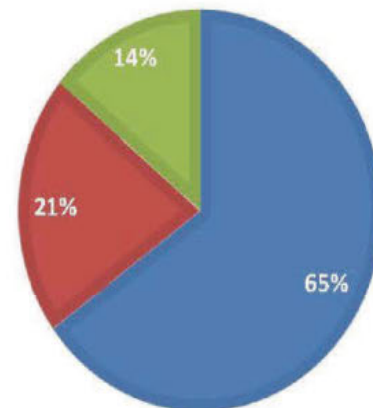

HOW OFTEN DO YOU GO TO RECONCILIATION?

■ Monthly (The Goal!) ■ Quarterly
■ Once/ Twice a Year ■ Never

HOW OFTEN DO YOU SPEND TIME IN PRAYER?

■ Daily (The Goal!) ■ Weekly ■ Not as Often

Strengths and Opportunities

These charts clearly illustrate the strengths and opportunities that exist in our parish in regard to these three holy habits. By strengthening our personal holiness through prayer, Mass and Reconciliation, we can better become the evangelizing missionaries we are called to be through our baptism.

Faith Formation

by Margarita Cabada

As the year comes to an end, I wanted to express my gratitude for allowing me to serve your elementary aged children. A big thank you also goes to the amazing catechists who offered their time to guide and teach the children about God. They are wonderful partners for parents. Together, we are witnesses to the children of Jesus and his mission:

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you; and behold, that I am with you always, until the end of the age."

Matthew 28:19-20

Do you feel God is calling you to serve in this beautiful mission as well? We are in the process of planning and scheduling catechists' retreats or/and trainings. Please contact me if you have any questions, and please know that...

If you feel the Lord has blessed you with an ability to communicate His truth and love to young people, **we need you!**

If you are a teacher by profession and would like to share your faith with our young people, **we need you!**

If you are not a teacher by profession but would like to share your faith with our young people, we will equip and form you, because **we need you!**

If you are a person of prayer and in touch with God, who directs our ministry, **we need you!**

Please consider how you might answer the call to be a disciple of Jesus by sharing your faith with our parish children.

Please send me an email at margarita@stamadison.org for more information.

**All volunteers must complete the safe environment training and requirements.*

Farewell from Claribelle

Dear STA community,

By the time you read this message I will already have finished my duties at Saint Thomas Aquinas. I am deeply grateful for your patience, trust, and support. This opportunity was an honor and a blessing that I will treasure forever. Also, during the short time I served as a staff member, I witnessed the Love poured over this Parish community and the efforts to have a bilingual devoted community. On behalf of the Hispanic community, receive my gratitude. God is good all the time! All the time God is good! Fraternal hug, Claribelle Vera Heredia
