Sixth Sunday of Easter Happy Mother's Day!

Moms make life beautiful! St. Jean Vianney, patron saint of priests, said, "Virtues go easily from mothers into their children's hearts. Children often willingly do what they see being done." We are so grateful for our moms and all they have done to raise us. We should love and respect our mother every day, but we honor her in special ways on Mother's Day. If she is still alive, perhaps we can make time to call, write or grace her with the present of our presence. If she has died, we can pray for her or visit her grave. Today, we thank God for our mothers and ask God's blessing upon them for all they do for our families, especially for the many ways they have brought us closer to Jesus Christ through sharing the gift of faith with us. The special bond between mothers and children comes through a particular blessing from God. God gives mothers strength, wisdom, and patience and an abundance of love to share. May God continue to bless our mothers today and shower His blessings on them every day as they share God's love so freely and selflessly. We are so blessed by all the exceptional women of our STA Parish. May God bless our mothers, and all those women who have been like mothers to us. Happy Mother's Day!

Congratulations to our Confirmandi!

This weekend, 49 of our young people will celebrate Confirmation with Bishop Hying at a special 4:00 p.m. Mass on Sunday evening. We are grateful for the dedication and preparation that the young people have made to prepare for this sacrament. We are grateful to our Director of Youth Ministry, Robert Rosa Cruz, our Administrative Support, Terri Kopplin, and all of our volunteers who helped direct the youth program and Confirmation classes this year. We also recognize and thank all of the Sponsors for your important role in being a model of faithfulness for the candidates and helping them in their journey of faith. Thank you last, but not least, to all of the parents for your faithfulness to the promises you made when you brought your child for Baptism when you promised to raise your children in the practice of the faith. Parents are the first teachers of the faith to their children. Our parish is committed to helping and assisting you in this important role parents have in sharing the faith with their children. Let us keep all of our Confirmandi and young people in our prayers as they are the Church of today and tomorrow. We pray the Holy Spirit will enliven and guide them to share their gifts and talents with our faith community as they grow into adult members of our Church.

Sexto Domingo de Pascua ¡Feliz Día de las Madres!

¡Las madres hacen que la vida sea bella! San Juan Vianney, patrón de los sacerdotes, dijo: "Las virtudes pasan fácilmente de las madres al corazón de sus hijos. Los hijos suelen imitar lo que ellos ven otros hacer". Estamos muy agradecidos de nuestras madres y todo lo que han hecho para criarnos. Debemos amar y respetar a nuestra madre todos los días, pero la honramos de manera especial en el Día de las Madres. Si su madre aún vive, tal vez Podemos sacar de nuestro tiempo para llamarla, escribirle o regalarle nuestra presencia. Si su madre ha muerto, podemos rezar por ella o visitar su tumba. Hoy damos gracias a Dios por nuestras madres y pedimos que las bendiga por todo lo que hacen por nuestras familias, especialmente por las muchas maneras en que nos han acercado a Jesucristo compartiendo con nosotros el don de la fe. El vínculo especial entre madres e hijos viene de una bendición particular de Dios. Dios da a las madres fuerza, sabiduría y paciencia, y abundancia de amor para compartir. Que Dios siga bendiciendo a nuestras madres hoy y derrame sus bendiciones sobre ellas cada día mientras comparten el amor de Dios tan libre y desinteresadamente. Somos tan bendecidos por todas las mujeres excepcionales de nuestra Parroquia STA. Que Dios bendiga a nuestras Madres, y a todas aquellas mujeres que han sido como madres para nosotros- ¡Feliz Día de las Madres!

¡Felicidades a nuestros Confirmandos!

Este fin de semana, 49 de nuestros jóvenes celebrarán la Confirmación con el Obispo Hying en una Misa especial a las 4 p.m. el domingo por la tarde. Estamos agradecidos por la dedicación de los jóvenes para prepararse a recibir este Sacramento. Agradecemos a nuestro Director de Pastoral Juvenil, Robert Rosa Cruz, a nuestro Apoyo Administrativo, Terri Kopplin, y a todos nuestros voluntarios que ayudaron a dirigir el programa juvenil y las Clases de Confirmación este año. También reconocemos y agradecemos a todos los Padrinos por su importante papel en ser un modelo de fe para los candidatos y ayudarles en su camino de fe. Gracias por último, pero no menos importante, a todos los padres por su fidelidad a las promesas que hicieron cuando trajeron a sus hijos para el Bautismo y prometieron criar a sus hijos en la práctica de la fe. Los padres son los primeros maestros de la fe para sus hijos. Nuestra parroquia se compromete a ayudarles y asistirles en este importante papel que tienen los padres de compartir la fe con sus hijos. Tengamos presentes en nuestras oraciones a todos nuestros confirmandos y jóvenes, que son la Iglesia de hoy y de mañana. Rezamos para que el Espíritu Santo les dé vida y les guíe para compartir sus dones y talentos con nuestra comunidad de fe a medida que crecen y se convierten en miembros adultos de nuestra Iglesia.

Fr. Bart Grants Opportunities of a Lifetime

by Terri Kopplin, Administrative Assistant

Above: 3/26/2020
In memory of Dad.
May he rest in peace.

Below: 4/2020
Mom finally meets
her great-grandson.

For many, memories of 2020-2021 may be centered around COVID-19 quarantines, masks, and re-thinks of the way we work and interact with the outside world. For me, it was a time of significant family events, and my help was needed at a couple of them. It began with my first grandchild's birth in January 2020 and the joy it brought. I had always wanted to help my daughter, a career gal, for that first year. After talking it over with Fr. Bart, he was optimistic that we would work it out and agreed to allow me to work remotely for a year.

That joy quickly subsided as my dad's health began to rapidly deteriorate. In January, some weight loss concerns at a routine check-up, quickly escalated into tests leading to more tests, hospital visits leading to stays, and, finally, a diagnosis of stage IV cancer. By the end of February, my parents needed my help. Once again, I approached Fr. Bart, but in tears this time, requesting some time away to help my parents. He didn't flinch. We just put our heads together to figure out how to make things work. In March, COVID-19 safety measures were getting stricter, and we were fortunate enough to be with Dad all but two days of that time until he was brought home from the hospital, entered hospice care, and passed away a few days later at home on March 26, 2020. The funeral was very intimate with only the immediate family... and a wonderful surprise visit from Holly and Fr. Bart, who gave the burial rites, and became our heroes. Mom is one of Fr. Bart and Holly's biggest fans!

Meanwhile, in the midst of all the ado about Dad, on March 13th my younger daughter was married in a very intimate ceremony consisting of six people, which was not at all based on the pandemic but just how they wanted to celebrate it. The family was so happy for them and was able to watch the video and see pictures of their nuptials.

In April, after everything began to calm down, Mom and I drove to St. Charles, MO, to finally meet her great-grandson. Beginning in June 2020 and through June 2021, I made many trips to/from Madison and Missouri, and then Arkansas, where my daughter accepted a 2-year position for work. It wasn't always easy, but it was a great opportunity to help my family when they needed it most. Thank you to Fr. Bart and the entire staff!

Justice & Peace and Outreach

Catholic Worker in Madison

STA parishioners Andrea and Justin Novotney and their three boys are working to open a Catholic Worker house in which to provide hospitality to those in need of housing, particularly refugees and women with children, on the west side of Madison. A 'house of hospitality', within the Catholic Worker movement,

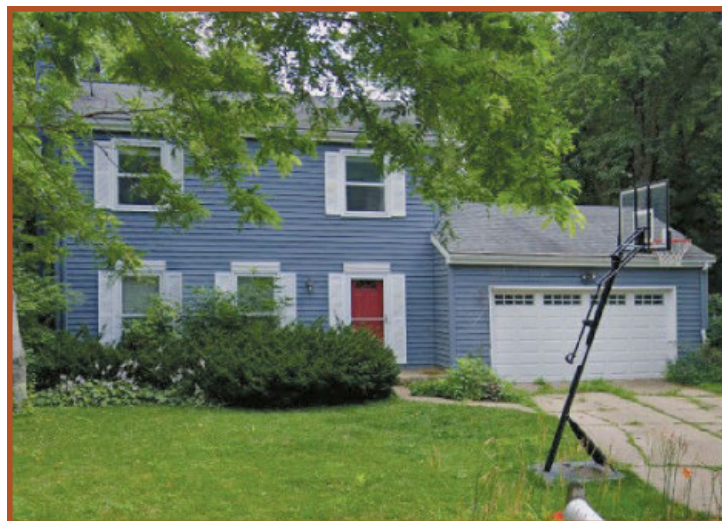

provides shelter, and often food and clothing, to those in need. The Catholic Worker was founded by Servant of God Dorothy Day and Peter Maurin in New York in 1933 amidst the Great Depression as a way to live out Catholic social teaching and the Gospel values—responding to the needs of those immediately around them.

If this model resonates with you, consider collaborating with the Novotney family as a volunteer or supporter by filling out this form: <https://tinyurl.com/cw-pledge-form>. They are looking for financial support as well as meal preparation, childcare, transportation for guests, gardening, etc.

You can follow along with updates on this effort here: <https://catholicworker.org/great-turning-appeal>

Care for God's Creation Team

Every Day is Earth Day!

We have reviewed the creative submissions to our logo contest. Thank you for your efforts and inspiration. We will soon be announcing the winners and look forward to sharing your talents with our fellow parishioners. In the meantime, give thanks to God for His gift of trees.

God's Gift of Trees

"Praise be to you my Lord, through our Sister, Mother Earth, who sustains and governs us..."

— St. Francis of Assisi

Trees clean our air, protect our drinking water, and provide food and habitat for animals. Studies show they even improve our mental health. Trees also absorb the CO2 that contributes to global warming and release oxygen back into the air. In one year, an acre of mature trees absorbs the amount of CO2 produced by a car driven 26,000 miles.

Planting trees also helps prevent soil erosion, increases land fertility and can add value to your property. Trees that provide shade can also significantly reduce your energy bills. When selecting trees, choose native types to support local wildlife. Spring and fall can be good times to plant.

The Heart of Our Faith Parish Retreat

Saturday, June 10, 12:30—4:15 PM at St. Thomas Aquinas

How often have we heard the beautiful message of the Gospel...the good news of God's love, Jesus' gift of salvation, the Holy Spirit's power? Perhaps, more importantly, how often do we take time to not only hear this message, but to let it sink in from our head to our heart?

Adults and teens are invited to join us for this special half-day retreat, as we celebrate the feast of Corpus Christi. Perhaps for some it will be the first time you give God the chance to move you from understanding to believing—from head to heart. For some, it may well affirm a message that you know well and have heard many times. Wherever you are on your journey, this will be an opportunity for each of us to strengthen our faith, and be better prepared to share this good news with others. You can start sharing the good news now by inviting a friend to register with you. All are welcome!

This free retreat begins in the social hall at 12:30 PM and concludes in time to attend 4:30 PM Mass. RSVP by June 5 by returning the form below to the parish office, or by contacting Jennifer Ludtke, Director of Evangelization and Outreach, at 833-2606 or Jennifer@stamadison.org.

Yes, I would like to attend the Heart of Our Faith Retreat on June 10.

Gospel Reflection

by Dcn. Jerome Buhman

John 14:15-21

The Holy Spirit is front and center in our readings today. In our Gospel, Jesus tells the disciples that the Father will send the Holy Spirit, the Advocate, to be with them. In two weeks, we will celebrate that coming of the Holy Spirit at Pentecost, a dramatic event that marks the birthday of the Church.

But that's probably not how most of us experience the Holy Spirit in our lives; our experiences are usually a little less spectacular. First, like the people of Samaria in our first reading, we must be open to the Spirit and prepare ourselves to receive the Spirit into our lives. We can be so busy and distracted in our everyday lives that we don't take time to pray and be quiet before God. We don't let the Spirit in. But with prayer and stillness before God, we allow the Spirit to flow into our daily lives.

Next, we must be patient. Not all workings of the Spirit happen in an instant as they did at Pentecost. In our personal lives, we all encounter difficulties, trials and troubles, and often when we turn to God, we want God to answer us immediately. If God doesn't, we become angry and harden ourselves against his approach. But if we allow God to respond in God's own time and in God's own way, we will gently feel God's presence. And our patience will be rewarded because the Spirit is relentless. No matter what we do or say, the Holy Spirit will always be there, asking us to open up. We just need to stop and listen.

Jews(?) and Samaritans: Why the Hate?

The Gospels, particularly in the Parable of the Good Samaritan and the story of the Woman at the Well, portray a distinct animosity between the Jews living in Judea and Galilee and the people of Samaria.

How did this antagonism arise?
What can we learn from it today?
