Words from Fr. Brian Wilk Parochial Administrator

In this weekend's Gospel, Jesus sends the Apostles out. Christianity is always like that. It is never something to be kept to oneself. It always involves outreach to others. Without that element it would not be Christianity.

It is a great challenge to all of us to be active, not passive, followers, to be not only receivers but givers as well. At the center of all of this, however, is our reliance on the providence of God. It is essential. But it must not be used as an excuse for doing nothing. We cannot stand back and wait for God to do it all. God works through us.

As we move through summer, I want to thank all of those who work so hard to keep our parish grounds looking so good. To all of our parish staffs and volunteers I offer a big THANK YOU for all that you do. Both parishes look great.

Have a blessed week.

Fr. Brian

Reflection: Mark 6:7-13 by Dcn. Jerome Buhman

Our first reading and our Gospel today should make us feel good about our mission to be evangelizers. Why? Because these readings show that the people God often chooses to spread his word are not theologians or learned scholars of Scripture, but ordinary people who probably do not consider themselves to be up to the task – and yet, they do it anyway and with God's grace are successful. In our first reading, Amos declares himself not to be a prophet, but rather a “dresser of sycamores” who God calls to action. Our Gospel story comes from the early part of Mark, when the apostles are relatively new to their role of followers of Jesus, and they are (for the most part) fishermen. Yet they are sent forth and have great success. We, too, are called to spread the Gospel and, I am sure, we feel unequal to the task. Yet God calls us to do it all the same, and with God's grace, we also will be successful. So let us take the dismissal from Mass seriously when we hear it: “Go in peace, glorifying the Lord by your life.”

Liturgy

Music & Liturgy Corner by Greg Buchberger

We are blessed at St. Thomas Aquinas to have a wonderful singing and participatory assembly at all our Masses. It is because of each of you, our vibrant and engaged parishioners and friends, that we are able to pray and celebrate so passionately and robustly. Your voices are the primary voice of our prayer together, and all who come to pray at St. Thomas Aquinas are uplifted and surrounded in glorious prayer, praise, and worship. Many thanks and blessings to each of you for your gift to our parish community. The power of the community gathered in prayer moves hearts, and continues to draw all people to a profound experience with Jesus, changing lives and giving witness to the life of Christ!

The Church has blessed its faithful people with many wonderful documents and reflections on the celebration of the Holy Sacrifice of the Mass. The Constitution on the Sacred Liturgy is one of the foundational documents of the Second Vatican Council. It seems appropriate to be reminded once again of these words:

“The Church earnestly desires that all the faithful be led to that full, conscious, and active participation in liturgical celebrations called for by the very nature of the liturgy. Such participation by the Christian people as ‘a chosen race, a royal priesthood, a holy nation, God’s own people’ is their right and duty by reason of their baptism. In the reform and promotion of the Liturgy, this full and active participation by all the people is the aim to be considered before all else.”

As we celebrate together, may we always strive to be active participants through our listening, through our responses, through our singing, and through our fervent prayer.

In the coming weeks, we will unpack more about our prayer life together, the Sacred Liturgy (the Mass), our liturgical ministries, and our music ministries! May we be open to the work of the Holy Spirit in our lives, and continue to come together as a community of faith!

Hospitality

Hospitality is a key to bringing Christ to others. I remember a time when I went to a Mass at another parish in Madison. I walked into the nave and there was a very large man standing in the doorway to the church. “Welcome to St. Bernards.” Although, I am a practicing Catholic and was going to Mass because I wanted to be there, I was very impressed by the welcome I received. Creating an atmosphere of welcome draws people into our parishes and closer to God. We, too, are called to bring this hospitality to those we meet which helps those we meet see Christ in us. Greeters and Ministers of Hospitality do just that. If God is calling you to be a greeter or minister of hospitality, please reach out to Holly at 608-833-2600 holly@stamadison.org or for more information.

THANK YOU for your thoughts and prayers for Fr. Lawrence, his mother, and three siblings at this extremely difficult time!

Del Padre Osvaldo

No debemos poner nuestra confianza en los medios materiales.

Algunos llamamos ‘Sistema’ a lo que clásicamente se llamaba el ‘mundo’, como fuente de tentación y perdición de muchas almas. El ‘sistema’, modernamente, lo abarca todo y es el que domina. Si no te subes al carro del sistema, te aplasta. El sistema y la bestia apocalíptica a la que muchos adoran es la misma cosa. El sistema tiene un enorme poder de seducción. El Sistema nunca se dirige a nosotros por las malas, sino que nos ofrece de todo con tal que nos sometamos a él. Esta seducción nos puede hacer olvidar que el fin no justifica los medios. La práctica de descubrir estas insinuaciones es muy difícil (La oferta de algo que siempre quisimos... con la sola condición de que aceptemos algo en contra de nuestros principios católicos... una vez abdicado en un principio, abdicar en los principios subsiguientes es facilísimo; todo es cuestión de abrir una pequeña puerta).

De ahí la insistencia y las palabras duras (‘ordenó’) del Señor en el evangelio de hoy. Si no hacemos así, no seremos capaces de transmitir el evangelio que es eminentemente sobrenatural. Pero eso no debemos sentirnos desgraciados cuando carezcamos de los medios naturales necesarios para nuestra labor evangelica. No está demostrado que, cuando tengamos todos los medios materiales seremos mejores discípulos, mejores personas. ¡esto no es lógico! Con nuestra lógica humana, pensamos que, si no tenemos estos medios humanos, no podemos realizar los objetivos sobrenaturales. Pero ‘mis caminos no son vuestros caminos... mis pensamientos, no son los vuestros...’ Dios ve las cosas desde otro punto de vista.

El objetivo es salvar a la Iglesia, a la juventud y al mundo, a mi familia, a mí mismo... esto solo se puede llevar a cabo con los medios adecuados, que es lo mismo que decir: sin medios adecuados; pasando calamidades y sacrificios, y participación intensa en la cruz del Señor. Las cosas grandes e importantes necesitan sufrimiento y tiempo.

No tengamos miedo a pasar privaciones y necesidades y ser aparentemente pocos. Si nos negamos a adorar a la Bestia, y ella intentará aplastarnos. Tened cuidado de nunca ceder en los principios. Es un error fácil de caer, incluso por gente buena e inteligente. Si no cedemos en los principios, entonces el mundo, el Sistema se opondrá, pero las cosas funcionarán, según Dios quiere. Esto atrae más que el poder y el dinero. Querer tener poder e influencia para poder llegar a más gente... es una tentación... pero entonces están usando los mismos medios y armas del mundo: ‘vosotros no sois del mundo’. La verdadera influencia, es la de la fidelidad a ideas y a principios. San Fco. De Asís, el modo de poseer la tierra para el Señor no es el poder y el dinero, sino pobres y humildes de corazón. La felicidad a los principios tendrá una permanencia e influencia mayor que el poderío actual de los grandes de esta tierra. La fidelidad pervive: ‘yo os he puesto, para que vayáis y deis fruto y vuestro fruto permanezca...’

Caring for God's Creation by Managing Your Food Waste

Hope you had a joyful July 4th weekend with your family. Bet you gathered around the picnic table, shared conversation, and had a great potluck meal. Was there too much food? What happened to the leftovers? Packaged up for all to take home? Did everyone take only what they would eat?

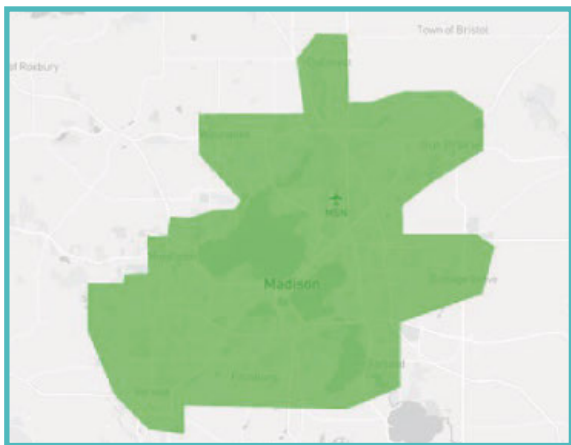

The BBC reports that 30% of the world's food is wasted and if we stopped wasting food on this planet we'd eliminate 8% of our total emissions. The EPA reminds us that "When food is wasted, all the resources that went into producing, processing, distributing, and preparing that food are wasted too."

Let's begin to address this issue by only serving what will be eaten in the first place. If you are not successful at that, consider composting. If you are not sure how to do that, know that there are services that will pick up your food waste, compost it, and may even return it to you as rich soil to nourish your garden. GIVING TUESDAY

#GivingTuesday is just 6 months away. Last year, with the help of families with matching funds, you helped to raise \$32,000 to fund many nonprofit organizations. Thank you! St. Thomas Aquinas Parish will again be running #GivingTuesday December 3 and the global generosity movement to celebrate all acts of giving! If you like to plan your giving amounts ahead, or set up monthly payments, you can do so through our new online giving website: PushPay. Scan the QR code or visit stamadison.org/donate and simply select the fund designation for "Giving Tuesday". For more information, please contact Holly Irving.

July Stewardship Ideas

1. Turn off the TV, phone, and computer, and spend one hour devoted to someone you love.
2. Abstain from something you like, meat, latte, cold drink on Fridays and save the money for charity.
3. Pick a flower or buy a flower for someone to show your appreciation.
4. Think of a charity which is amply blessed at Christmas. Remember it with a gift midyear.
5. Say a prayer each day for a troubled spot in the world.

Thank you for your continued support as we transition to our New Parishioner Database, ParishStaq and Online Giving Platform, PushPay.

If you currently give donations online (or would like to start), you are invited to switch to PushPay. Scan the QR code to begin with PushPay or visit stamadison.org/donate. Please reach out to the Business Office at 608-821-4867 or email business@stamadison.org with any questions.

Gracias por su continuo apoyo mientras hacemos la transición a nuestra nueva base de datos de feligreses, PrishStaq y una plataforma de donaciones en línea, PushPay.

Si actualmente haces donaciones en línea (o te gustaría comenzar), te invitamos a cambiarte a PushPay. Escanee el código QR para comenzar con PushPay o visite stamadison.org/donate.
