What We Carry from Town to Town

In my experience, there are two kinds of people: the folks who kick off their shoes the second they walk through the door, and the ones who don't.

People can feel strongly about this on both sides. The main thrust of the Shoes-Off Brigade seems to be this: we track a lot of weird stuff on the soles of our feet. Little reminders of all the places we've been — whether it's a private home or a public bathroom — cling to our shoes long after we leave.

This same theory applies to our spiritual lives. As human beings and as disciples, we visit a lot of figurative towns and pick up a lot of figurative dust. Sinfulness. Shame. Defeat. Anger. Fear. Doubt. No matter how hard we try to keep free of it, these things have a way of attaching themselves to us, sometimes without us even noticing. We need to take a good look at what unhelpful and unconstructive baggage from our past we're tracking into our present and future encounters.

What is the "town" God is asking you to visit today in His name? Is it a tough conversation with a friend, a brief witness to a stranger in the checkout line, a call to be present to someone in your family? Before you go, remember, shake off the dust. Don't let a past disappointment constrain you. Don't allow yesterday's failures or burdens to keep you from the joy of today's witness, whatever form it might take.

How to Request a Mass Intention

A beautiful way to remember or honor loved ones is to have a Mass offered for them.

If you would like to schedule a Mass intention, contact Terese in the parish office at (414) 453-3875 or tneureuther@stpiousparish.org.

Intentions may be for a deceased loved one, someone who is sick or suffering, in celebration of a birthday, anniversary or other special moment, or a prayer request. A \$10 stipend is suggested, but any donation amount is appreciated.

A Letter From Fr. Paul

I'd like to start off with a thank you to the Garden Angels for their dedication and work on our flowers and greenery. Our grounds look beautiful!

Our Gospel is Mark's version of Jesus sending His disciples on mission. They had been following Him, observing how He interacted with people, and listening to His words; now Jesus is asking them to go out and spread the news to others.

Jesus asks us to do the same. Our religious practice has helped us to know how Jesus acted and what He said; through baptism, we have accepted the call to bring that Good News to others by what we say and do.

It is a daunting challenge. We certainly are not worthy. But we must be careful not to use our unworthiness as a "get out of jail free" card. Were the first disciples worthy?

Look at Peter: one time Jesus had to say "get behind me, Satan" to him. Despite his bravado of being willing to die for Jesus, Peter denied him three times and then ran away. Peter wasn't under the cross; he was hiding in the upper room.

The point is that our "worthiness" is not the issue. It is not about us; it is not our mission. It is Christ's mission and His Good News. All He asks is that we be willing to do our best to live Gospel values and He will use us, despite our mistakes and failures, to bring the Gospel to life for the people around us. Our faith is not about coming to church and staying there; it is about coming to church to be fortified, by the Word, by the Eucharist, and by the Community, so that we can go out from the church strengthened to live the goodness and kindness of Christ in a world that desperately needs it. That is evangelizing. That is what we are called to do and committed ourselves to do when we were baptized.

Reflection for the week: as I go through my day, am I aware that my words and actions affect other people? That I am called to bring Christ's goodness and kindness to those I meet? That God wants to use me to make a difference? How can I make myself more conscious of this? Let us pray that each member of our community may grow in our ability to bring Christ to others by what we say and how we act. God bless.

Church sign of the week: *it is hard to get in shape spiritually when you only work out on Sundays.*
