

CHRIST THE KING

ROMAN CATHOLIC CHURCH & CEMETERY WITH COLUBARIUM

PARISH MISSION STATEMENT:

"A Catholic Family Making Disciples"

Pastor's Corner

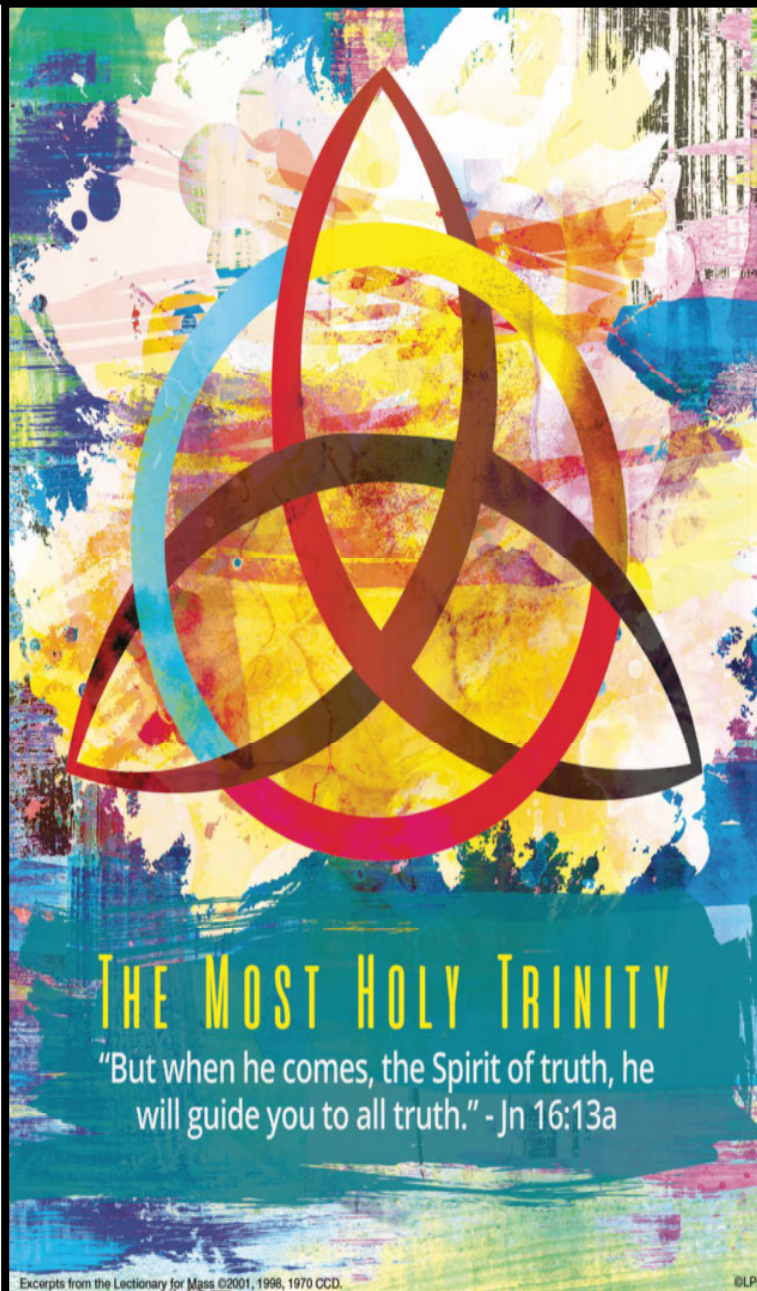

In the first two hundred years of Christianity through Tertullian, the word Trinity referring to God, the Father, God the Son, and God the Holy Spirit appeared. Then expounded by St. Augustine and St. Thomas Aquinas through reasoning from created things. But such reasoning assumes faith to the words of Jesus in the gospels and other books of the New Testament.

Saints Augustine and Thomas Aquinas explain that from the time of creation God became part of all including humanity, He revealed such unity of "persons," so, to let us participate in His life right where we are. So, it may be of great privilege to each one that He is very much engaged. All that Jesus did and continue to do through us are expressions of such involvement.

Let the words of St. Paul in his letter to the Romans strengthen our "character" as followers of Jesus. We embrace difficulties not for its sakes but with hope at God's help to endure. This is to live the "life of the Trinity" amid the challenges of the world that shape and define who we are. So, we ask how, some will answer following the commandments, but such following are just the minimum? So, to involved in the different ministries of Christ the King parish can be our direct participation in the life of the Trinity among us.

WORD OF LIFE "In modern times, children in their mothers' wombs and those approaching the end of their lives are certainly among the 'least of these' in our world's estimation. Practices such as abortion and assisted suicide tragically reject the truth that human life is always to be cherished and defended with loving concern. ... Through the intercession of Our Lady of Guadalupe, may Our Lord grant us the grace to truly and courageously live his Gospel of life."
