FROM THE DESK OF MONSIGNOR BUTLER

THANK YOU TO OUR WORSHIP COMMISSION!

A big thank you to Tricia Davies and our Worship Commission for putting together our "Welcome Back" celebration last weekend! How good it was to see so many people back and to visit for a while and enjoy ice cream together after Mass. To those who have not yet been able to come back, we continue to pray for you and to hope for your return in the near future.

THANK YOU TO OUR SCHOOL!

Thank you to our school families and to Home and School for their generous donation of \$1000 to the upcoming Kenrick-Glennon Seminary's 29th annual *Coconvivium Dinner and Auction* which will take place on Saturday, November 6. This event supports the men who dedicate their lives in service to our church and communities: our seminarians and future priests! Your donation is greatly appreciated!

DYNAMIC CATHOLIC, *ALIVE!* - SERVANT LEADERSHIP

Jesus said to the Twelve Apostles, "If anyone wishes to be first, he shall be the last of all and the servant of all." Jesus was the perfect example of servant leadership - putting other's needs before His own. As servant leaders, we are called to "wash one another's feet" just like Jesus did on Holy Thursday night. Unfortunately today, when we hear the word "leadership", we tend to think of someone with privilege and unlimited power. One characteristic of servant leadership is good listening skills - being able to discern the will of God and how that intersects with the will of the ministry. Good listening skills help shape other good characteristics such as empathy for others, commitment to the spiritual growth of people, and ultimately building the kingdom of God.

Friends of the Poor® Walk

Saturday, September 25, following 8 a.m. Mass at St. Clement of Rome

IMPORTANT UPDATE

Our sister parish, St. Elizabeth, Mother of John the Baptist, has been disproportionately impacted by the pandemic and is unable to attend. In solidarity with their sacrifice, we are scaling down our event to truly focus on the poor.

We will walk through the Bayberry subdivision shortly after 8 a.m. Mass.

Following the Walk, we will compile personal care kits for the St. Elizabeth, Mother of John the Baptist food pantry.

FREDBIRD® will not be in attendance, and there will be no giveaways this year.

Participants are encouraged to wear masks. If you are uncomfortable walking with us due to the pandemic, please consider walking with us in spirit on your own.

Register or donate at fopwalk.org/event/2596.

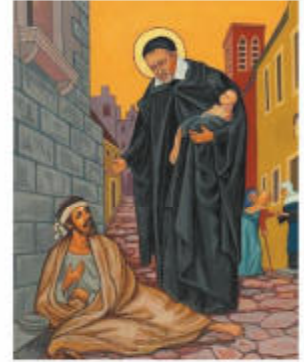

Participants under the age of 18 must be registered by a parent or guardian.

All proceeds benefit the Society of St. Vincent de Paul conferences at St. Clement of Rome and St. Elizabeth, Mother of John the Baptist.

THANK YOU!

The St. Vincent de Paul Conference of Blessed Teresa of Calcutta parish extends their sincere “thank you” to St. Clement of Rome parishioners for your generous food and monetary donations at the August food drive. The Blessed Teresa of Calcutta conference annually serves over 4,200 families/19,000 individuals, which is only accomplished through the generosity of those that have provided resources to their food pantry. Your generous donations of 153 bags of non-perishables allows their conference to continue to serve their community and Christ and his brethren.

PRO-LIFE**BIDEN ADMINISTRATION SUES TEXAS TO BLOCK ITS HEARTBEAT LAW**

The Biden administration has sued the state of Texas over its new law banning most abortions when a fetal heartbeat can be detected, usually around six weeks. The Department of Justice suit seeks a permanent injunction on state officials and private individuals from implementing or enforcing the law. The Texas law requires doctors to check for a fetal heartbeat before performing an abortion and prohibits most abortions if a heartbeat is found. Though courts have blocked similar heartbeat bills - including Missouri's HB 126 - from going into effect, Texas legislators wrote their bill to avoid a pre-enforcement challenge. Instead of giving the state enforcement authority, the law allows private individuals to bring civil suits against those who perform illegal abortions, and anyone who "knowingly" aids and abets an illegal abortion. The U.S. Supreme Court last week declined to block the bill, citing the fact that the abortion providers bringing suit did not name a proper defendant.

Archbishop Joseph F. Naumann, chairman of the USCCB Committee on Pro-Life Activities, issued a statement on Texas' efforts to support pregnant and new mothers. Naumann praised the Texas legislature for increasing support for low-income mothers by 25 percent through the state's Alternatives to Abortion program, and for expanding Medicaid coverage for new mothers. Archbishop Naumann also expressed disappointment with efforts to block the Texas heartbeat bill. "Tragically, the President, Speaker of the House, and other public officials have responded with statements that ignore our nation's sacred interest to protect the life and health of both mothers and their unborn children, instead responding with radical pledges to mobilize the full force of the federal government to block all efforts to protect the life of the child in the womb," Naumann said. He also highlighted the USCCB initiative, *Walking with Moms in Need*, which seeks to "[surround] both mother and her child with love and practical support as the humane response to a difficult pregnancy."

TELL CONGRESS: “HUMAN INFRASTRUCTURE” MUST NOT FUND ABORTION!

There's another huge battle shaping up in Congress over taxpayer funding of abortion, and the U.S. Conference of Catholic Bishops is asking for your help. As you know, the USCCB is fighting to preserve the Hyde Amendment in government spending. The Hyde Amendment protects Americans from being forced to pay for abortion with our tax dollars.

But the House and Senate are moving forward on a “human infrastructure” bill. The bill is likely to include things that many Catholics support, including expanded health care coverage. But there is serious concern that such health care proposals will fund elective abortion.

Democratic leadership is using a rare process known as “budget reconciliation”, which would allow this “human infrastructure” bill to become law with a simple majority vote (most legislation requires 60 votes in the Senate to move forward).

That is why we need your voice NOW to tell Congress that Americans do NOT want their tax dollars to pay for abortions in ANY bill, much less a bill promoted as a “human infrastructure” bill.

Please visit <https://www.voterve.net/USCCB/Campaigns/88118/Respond>. Tell your representatives that any health care proposals MUST NOT fund elective abortion.

GUIDE BOOK & DIRECTORY ADVERTISING OPPORTUNITY

We are in the process of updating our annual Guide Book & Directory for St. Clement of Rome. This book will contain everything pertinent to our parish: the various ministries, organizations, committees, activities, functions and events plus a complete directory of all members. This book is being provided and direct-mailed to each family at no cost to the parish, and it is again being subsidized by local businesses that advertise. If you own or manage a business and would like to find out about advertising in our book, please call the Church Office.

Recent survey results by Guide Book Publishing show that 92.1% of families would rather patronize a Guide Book & Directory advertiser over a non-advertiser. It “will pay” to advertise in our new Guide Book & Directory.
