DYNAMIC CATHOLIC, ALIVE! - EVANGELIZATION

Every Christian, through Baptism, is called by God to spread the Gospel message. Jesus did not just give the mission of evangelization to the Apostles or to a select few. Today we celebrate Christ's Ascension to the right hand of the Father. Jesus reminds His disciples, "Thus it is written that the Christ would suffer and rise from the dead on the third day and that the repentance, for the forgiveness of sins, would be preached in His name to all the nations, beginning from Jerusalem." Jesus reminded them they would begin this mission, but each generation that follows is called to do the same. Not everyone is called to mission trips to far-away places. It begins within our own hearts and minds. We can strive to have a deeper relationship with Jesus, so we can share our experience with everyone we meet. During this week before Pentecost, we can spend some time in prayer to the Holy Spirit asking for guidance to know the individual mission God has given us and the strength and courage to accomplish it. archstl.org/dynamic

All are invited to celebrate the Solemnity of the Most Sacred Heart of Jesus

www.mostsacredheart.net

"The Lord said to me, 'My Divine Heart is so passionately in love with humanity that it can no longer contain within itself the flames of its ardent love.'" - St. Margaret Mary of Alacoque

"Many people think the Sacred Heart Of Jesus is an old-fashioned Catholic devotion. Sacred Heart Devotion isn't our devotion, it is God's. It is God's devotion to us. Our devotion is only a response to God's devoted love,

because He loved us first. God is love and continues to love us passionately. His passion for us ultimately led to His passion and crucifixion." - Fr. James Kubicki, SJ, former National Director of the Apostleship of Prayer.

True devotion to the Sacred Heart means devotion to the Divine Heart of Christ insofar as His Heart represents and recalls His mercy and love for us. Jesus Christ is the incarnation of God's infinite love. The Human Nature which the Son of God took upon Himself was filled with love and kindness that has never found an equal. He is the perfect model of love of God and neighbor. Inflamed with love for us, He came down from heaven to redeem us through His passion and death. At the Last Supper, He said, "There is no greater love than to lay down one's life for one's friends" John 15:13. The Heart of Jesus never ceases to love us, continuously offering us sanctification through the Sacraments. These are inexhaustible fountains of grace and holiness which have their source in the boundless ocean of the Sacred Heart of Jesus.

"In the Heart of Jesus, God shows us that He wants to be understood in His absolute desire to love, forgive, and save." - St. John Paul II

This is what parents of our Level I after school students at St. Clement of Rome this year had to say:

"The time spent in the atrium has radically improved our son's focus during the Mass. The curiosity about and passion for Jesus that we see in him reignites our souls with passion for Christ too."

"CGS has been a great experience for my daughter. It is a thoughtful and prayerful environment in which she has thrived in her Catholic faith. CGS provides such a unique hands-on approach to teaching the faith. It is a great way of learning, especially for young, growing minds."

MISSOURI LEGISLATIVE SESSION WRAP-UP

After the Missouri Senate adjourned a day early, the Missouri House took up numerous bills on the last day of the legislative session, including SB 683, which included language creating a prison nursery program. The prison nursery program, introduced by Rep. Bruce DeGroot as HB 1897, allows the state to set up nurseries in women's prisons so that the children of pregnant inmates can stay with their mothers after they are delivered. These programs have shown promise in reducing inmate recidivism, relieving infant anxiety, and promoting maternal well-being and a better prison environment. The bill has been delivered to the governor. The Missouri Senate did not act on several other bills the Missouri Catholic Conference was tracking, including: an omnibus pro-life bill that would respect fetal remains resulting from abortion and defund Planned Parenthood, among other provisions; a bill ensuring religious groups have access to campus facilities and means of communication; a bill extending Medicaid coverage to post-partum women up to one year after delivery; and a bill extending the sunset date on a program that helps cover medications for those in need. These bills will have to start the process again next year.

BISHOP CHAIRMEN RESPOND TO U.S. SENATE VOTE ON ABORTION ON DEMAND BILL

Earlier this month, the U.S. Senate once again failed to advance a bill that would have imposed abortion on demand nationwide at any stage of pregnancy through federal statute. The Women's Health Protection Act would have eliminated pro-life laws in every state, forced citizens to support abortion with their tax dollars, and likely would have eliminated conscience protections for individual healthcare providers. The Senate failed to advance the bill with a 49-51 vote, in which Democrat Joe Manchin joined all Senate Republicans in opposition. In response to the latest vote, Archbishop William E. Lori of Baltimore, chairman of the USCCB Committee on Pro-Life Activities, and Cardinal Timothy M. Dolan, chairman of the Committee for Religious Liberty, issued a statement expressing their relief that the Senate vote to advance the bill failed for the second time in three months. The chairmen further stated, "As a nation built on the recognition that every human being is endowed by its Creator with the unalienable rights to life, liberty, and the pursuit of happiness, we implore Congress to stop pushing abortion as a solution to the needs of women and young girls, and instead embrace public policy that fully respects and facilitates these rights and the needs of both mother and child."
