MORE NEWS

Would you like to host a foreign exchange student this year?

CIEE currently has a male student from Italy who is enjoys READING CRIME NOVELS, ICE SKATING, LISTENING TO MUSIC, PLAYING THE PIANO, AND PLAYING BASKETBALL. His name is Alberto, and I'm working to find him a host family who would open their home to him for the next school year.

ALBERTO is 17 years old, and will be spending two semesters in your area, arriving at the start of the Fall semester. Alberto is a cheerful guy who likes to joke and is also very active . He speaks English very well and will arrive with his own health insurance, as well as spending money to cover any personal expenses (school fees, club fees, etc.). A host family simply welcomes him as one of their own and enjoys the experience of learning about Italy (He can't wait to share his cultural background with you!) and sharing the beauty of the Midwest with Alberto. I am hoping to connect him with a family in the next couple of weeks so we can secure his spot in school. He is set to arrive in August.

Here is a note from Alberto:

"If I were to describe myself in three words they would be cheerful, empathetic, and sunny! I love to joke, be active, and travel. When I have a problem, I analyze it in a rational way and look for a way to solve it. I don't dwell on it. My motto in life is this: If you put kindness into the world, sooner or later, that kindness will come back to you! I really want to come to America to experience a new culture while sharing mine and develop my sense of independence."

Thank you in advance for your time. I look forward to hearing from you!
