--THE BIRTH OF OUR NATION --

Wisdom of the Founding Fathers

“Without morals a republic cannot subsist any length of time; They therefore who are decrying the Christian religion...are undermining the solid foundation of morals, the best security for the duration of free governments.

—Charles Carroll,
the only Catholic signer of
The Declaration of Independence

As we approach our nation's 250th anniversary, let us stop and remember the moral courage it took to sign the Declaration of Independence. Everyone of those signers knew they would be executed as a traitor of England by signing this document. One of the Signers, Caesar Rodney's, defining moment came on July 1, 1776, when, despite battling asthma and a disfiguring facial cancer, Rodney rode 80 miles through a thunderstorm and the dead of night from Dover to Philadelphia. Arriving at Independence Hall on July 2nd, spurs clinking, he broke Delaware's deadlock, casting the decisive vote for the Declaration of Independence. It was an act of duty, courage, and treason that cemented his patriotic legacy.

“May the children of the stock of Abraham who dwell in this land continue to merit and enjoy the good will of the other inhabitants-while every one shall sit in safety under his own vine and fig tree and there shall be none to make him afraid. May the father of all mercies scatter light, and not darkness, upon our paths, and make us all in our several vocations useful here, and in His own due time and way everlastingly happy.”
George Washington

Charles Carroll of Carrollton
The only signer to state where he was from. This is because he had a common name. He wanted the British to know which Charles to come looking for if the Revolution was unsuccessful. Charles was the only Catholic signer as well.

United States
of America
As we near the 250th
birthday of our
beloved country, we
as a nation was
Consecrated to the
Sacred Heart of Jesus
by the bishops of our
country.
May the blessings of
His Sacred Heart
touch every
household.

The Sacred Heart of Jesus is Charity beyond Charity. Talk to his heart this June and always.

LPI our Bulletin Printer Company is Coming
Steve Nadar will be at St. John's working the week of July 13. He will be working out of the office to secure sponsors for our bulletin. We need sponsors for our church bulletin to exist. If you know of a business, or if you are a business that can help sponsor both St. Jude's and St. John's, we would certainly appreciate your sponsorship. Please call the office and let Maurica know that you are interested and she will give Steve the information.

How to Become a Member of St. John or St. Jude... It is easy to register! At St. John's, there are yellow registration forms in the bookrack at the entrance or at the Information Table. At St. Jude, there are small half cards on the back table near the side entrance. Registration forms may be put in the collection basket or given to the office or Father. We are excited for you to become a part of our spiritual family.

ST. JUDE THE APOSTLE

John Hackworthy

This is not goodbye, but see you later. John will be back at times and especially at our 75th anniversary celebration. After all he was here for 63 of those 75 years.

Advice from the Saints

"He who wishes for anything but Christ, does not know what he wishes; he who asks for anything but Christ, does not know what he is asking; he who works, and not for Christ, does not know what he is doing." -St. Philip Neri

St. Jude's 75th Anniversary Countdown

Look for the blue invitations in the back of church. Please RSVP for our big day on Sunday, October 11. We will need a good count for the caterers. What an exciting time for our parish!

Meditation

"Our own guardian angel [is] for each of us like a trustworthy captain commissioned to defend a stronghold against its enemies. Our guardian angel remains alert and watchful lest any foes should capture and occupy the fort of our soul. These angels are the faithful guards whom the Lord has located on the walls of Jerusalem to keep watch over His flock throughout the night lest the ferocious wolf of hell, who prowls around like a roaring lion seeking for someone to devour, should seize upon our poor souls!"
-St. Aloysius Gonzaga, p.65
