Senior Dining Returns!!!

In-person senior dining resumes Friday, April 1st, 2022

We are pleased to announce that the Watertown Senior Center resumes in-person senior dining on April 1, with meal service at 11:45 a.m., Monday through Friday, except days when the Jefferson County Offices are closed. Call **920.728.1210** by 11 am one day in advance to make a reservation. For Monday dining, reservations accepted by Friday at 11 am. Once we resume congregate, or in-person dining, Carry Out meals will no longer be an option at the Watertown Senior Center.

The purpose of the Senior Dining Program, also called Congregate Dining, is to serve healthy, well-balanced meals, provide a place for social engagement and gatherings, present information on healthy aging, connect people to programs and resources, and offer meaningful opportunities to volunteer.

Individuals eligible to receive a meal on a voluntary contribution basis at a senior dining center are:

- Aged 60 or older
- A spouse or domestic partner who attends the dining center with his or her spouse or domestic partner who is aged 60 or older
- An adult with a disability, younger than age 60, who resides with an eligible older individual participating in the program

Nutrition Program staff, guests and volunteers who meet the criteria above are eligible program participants. These individuals will be given the opportunity to contribute to the cost of the meal in accordance with usual contribution procedures.

- Meals are offered to participants 60 years and older at a suggested contribution rate, currently \$4.00 per meal.
- This rate also applies to spouses of participants as well as caregivers, or a person with a disability (of any age) who lives with the participant.
- No older adult will be turned away if unable to contribute, and all contributions are confidential. We ask that you contribute what you can afford whether it be less or more than the suggested donation rate.
- Anyone else under the age of 60, who would like to dine, will be charged the full cost of the meal of \$14.34.
- Donations will be collected in a locked donation box conveniently located in the dining center. Participants are encouraged to bring the exact cash for their intended donation and checks are also acceptable.

We understand that we serve the older adult population who are at greater risk for COVID-19. We will be following guidance from the Watertown Public Health Department and will be staying up to date with the most recent CDC guidelines and recommendations. This may mean that we will need to limit the number of diners on a given date to allow for appropriate social distancing. Your health and safety matter greatly to us!
