## *Leave It in the Tomb*

Today, on the most important day of the liturgical year, the Apostle Paul is calling us out.

“I see you hiding in that tomb,” he says. “I see you baking with that old, stale yeast, thinking no one will notice.”

He says it a little more elegantly, I’ll grant you. But the message is this: If you want to be raised with Christ, you’d better be ready to step out of the shadows. Seek what is above — not what is on earth.

I can feel myself responding almost reflexively, “Great idea, Paul — but I’m pretty comfy here.” Because sometimes, it’s just easier to stay in the tomb. It’s easier to crouch in the shadows and look outward at everyone else, thinking of the changes they could make or the sins they could overcome.

Today we are called to embrace newness. New hearts, new lives, new futures, new chances. If there’s anything keeping you from that, you need to leave it in the tomb. It’s a little scary, sure — maybe Jesus thought so before he stepped into the light of that first Easter morning. But no loaf of bread worth eating was ever baked using stale yeast that wouldn’t rise. No new life worth having was ever lived through the broken sins of yesterday. No Easter morning ever dawned without the tomb sitting empty.

Step into the light. He is waiting for you.

## FROM THE PASTOR

He is Risen! Alleluia. This is the day the Lord has made, let us rejoice and be glad. Happy Easter to everyone. With great joy and solemnity we celebrate the central mystery of our faith, the Resurrection of the Lord. Resurrection is about hope and the promise God has made to us for ever lasting life. All we do, as people of faith, is to point to the hope and promise. Let us rejoice and be glad.

Other items to note:

- A special thanks to those who planned our Lenten liturgies, they were beautiful.
- Thanks to those who decorate our worship spaces making them places of prayer and inspiration for the seasons we celebrate. It's nice to see the Easter flowers.
- The weather has not cooperated to allow us to get much spring cleaning done in the cemeteries. Please do not plant or place anything in the ground in front of a grave. All decorations must be securely attached to the headstone.
- Greg Lambert, our seminarian, has been officially accepted as a candidate for priesthood in the Archdiocese. Greg will be attending seminary at St. Mary of the Lake Seminary in Mundelein, IL this fall. God willing, Greg will be ordained a deacon in May 2023 and a priest in May 2024.
- Projects in some of the parishes we are working on:
  - ◇ Bankston – new HVAC system in the church. The boiler in the church has needed several repairs each year and is inefficient to run. The Parish Council decided to replace the system with a forced air system and add air conditioning to the building.
  - ◇ Farley – new bathrooms downstairs as well as adding a restroom on the main level of the church. This project has long been needed and is finally being addressed. A solution to the elevator issue is being worked on and will be addressed soon.
  - ◇ Peosta – new roof on the church. The current roof is 20+ years old and several shingles have been loose and blown off in recent storms. A new roof will be installed late spring/early summer this year.

Please welcome our newly baptized:

- *Lilyana Kay Draus*, daughter of Nicole and Andrew Draus to St. Clement, Bankston
- *Jett Steven Kerper*, son of Allison and Craig Kerper to St. John, Placid.

Parish Council nomination forms will be available at masses at all the Pastorate churches the weekend of April 23-24.

**Bereavement Series:** The St. Thomas Aquinas Pastorate will host a 5 - part series for persons who have suffered the death of a loved one on Tuesday evenings starting April 19, at 7:00 PM in the Pastorate office (408 3rd Ave NW, Cascade). Come to any or all sessions. For information, contact Jean Mausser 563-852-7709 or 563-495-2206, Dianne Reiter at 563-590-7956 or the St. Thomas Aquinas Pastorate Office at 563-852-3524. Everyone is welcome.

### St. John, Peosta has a Hearing Loop for hearing aid users.

Hearing Loops allow people with hearing aids or cochlear implants to receive the sound from the sound system directly in their own hearing aids without having to pick up a separate listening device. Check with your audiologist to see if your hearing aid has a T-coil or Telecoil built in. (If you have hearing loss but do not have a hearing aid or if your hearing aid does not have a working telecoil setting to access the hearing loop, there are individual receivers available.)

The family of Jim Kean would like to thank everyone for the tremendous response of donations for the Jim Kean Giving Day. Donations were given to the Epworth Food Pantry.
