Catholic Conference of

Illinois Statement

on Senate Committee

Passage of SB 1594

It is truly tragic the Senate Public Health Committee today approved Senate Bill 1594, which seeks to repeal the Illinois Parental Notice of Abortion Act. Since this law went into effect, the incidence of abortions among minors has dropped 57 percent in Illinois.

Why would anybody vote for legislation that effectively removes parents and guardians of minors from a major decision that is known to have significant physical and mental after effects?

Current law makes it illegal for minors in Illinois to use an indoor tanning bed; buy cigarettes, alcohol or lottery tickets; or vote in an election. Are we to believe abortion is somehow less consequential than getting a tan?

We urge the full Senate to use reason, support parents and their daughters, and strongly reject this appalling legislation.

The Catholic Conference of Illinois was created in 1969 to serve as the public policy voice of the Illinois bishops and the six dioceses of the state: Belleville, Chicago, Joliet, Peoria, Rockford and Springfield in Illinois.

Sick Call

I place great importance on visiting the sick. In most instances the only way I will know if a parishioner is ill or hospitalized is if I am contacted. If you or a family member is in the hospital please contact the parish office 618-253-7408 or call me directly 618-944-8888.

Thank you,

Father Abraham
