## MISSION STATEMENT FOR SACRED HEART CHURCH

**The Sacred Heart Catholic Church is rooted in the gospel of Jesus Christ. Guided by the Holy Spirit, we welcome all to respond to the voice of Christ to live the commandments, practice the beatitudes, and celebrate the sacraments, which engage us to build a community of love by serving each other.**

### ++From the Desk of Father Mike ++

There is a website on world population. It has a live counter that adds another digit for each birth. This population counter, clicking off births at a steady, unrelenting rate, seems to run as fast as the meter of a gas pump.

The world is getting crowded. Now we have more than 7.9 billion souls crowding the planet. It's overwhelming. Today 30 percent of the world doesn't have enough water, and if we continue, it will become 50 percent by 2025. That is not sustainable.

When Jesus and the Disciples needed to rest a little, they tried to flee from the crowds that pursued them. They got into a boat to search for a deserted place. But the crowds were already there, waiting for them to land. Jesus took pity on them and began to teach them.

Today's Gospel invites us to pray that Jesus will take pity on us and lead us off to a quiet place. We need to reset a little and to flee from the crowds that fill this world as it staggers beneath the problem of diminishing water and food. But, we have faith and hope that the love God has for each and every one of us will never diminish.

The Catholic Church is working diligently to prevent sexual abuse by parish employees, volunteers, deacons and priests. If you have been sexually abused by someone associated with the Church and would like to report or discuss the experience, we urge you to contact: Kathy Drinkwine: 715-718-1110

The Diocese of Superior welcomes your call and understands how difficult it may be to reach out in this situation. The phone number provided is confidential and dedicated solely to these calls. Anyone who believes that they have been sexually abused is strongly encouraged to report as well.

La Iglesia Católica está trabajando arduamente para evitar que sus empleados, voluntarios, diáconos y sacerdotes cometan abuso sexual.
