*"John answered them all, 'I baptize you with water; but he who is mightier than I is coming...he will baptize you with the Holy Spirit...' " (Luke 3:16)*

The Catholic Catechism states that *"Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will."* In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him, and allow the Holy Spirit to work through you for the greater glory of God.

**PARISH MISSION – SURGE OF THE HEART**

*We are so pleased to have nationally known author and speaker, Jon Leonetti, do a Parish Mission for us on February 27 & 28. The topics covered are:*

**EVENING ONE: WHO IS GOD AND WHY DOES THAT MATTER?**

*We cannot love someone we don't know. Therefore, to love God, we have to first know God. So how do we come to know God? We examine the ways He's revealed Himself to us. And in understanding the ways He's revealed Himself to us, we better understand who we are and the unique mission of holiness God has for us.*

**EVENING TWO: GOD'S DREAM FOR YOUR LIFE**

*There is no other meaning, reason, or purpose to our lives than to be in Heaven with God for all eternity. We are called to become saints. How do we get there? We need a plan; a plan given to us by Jesus and His Church.*

Please plan to join us for his talks, Q&A sessions, and refreshments on Sunday and Monday from 6:30 – 8 pm in Church. There is no cost, but a free-will offering would be appreciated.

## Gospel Meditation

### The Baptism of the Lord

*"We are called to live our baptism every day, as new creatures, clothed in Christ."*

— Pope Francis

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.

## The Sanctuary Course for Catholics

*Beginning at St. John's on January 22nd*

### Do you know someone struggling with their mental health?

St. John <sup>the Baptist</sup>  
CATHOLIC PARISH

One in four people will be affected by a mental health problem at some point in their lives, yet the stigma surrounding mental illness silences many and prevents faith communities from responding compassionately and effectively. This eight-session course explores the realities of mental health and illness, as well as the vital need for faith-based community conversations about these topics. The sessions are accompanied by compelling films that feature the stories of Catholics living with mental health challenges, along with the insights of archbishops, theologians, and psychologists.

**This course is for anyone who wants to learn about faith and mental health!**

- People with questions about mental health
- People supporting loved ones with mental health problems
- People living with mental health problems
- Leaders/religious educators who want to engage their community in mental health

### Get Help to Quit Smoking

Cigarette smoking is linked to about 480,000 deaths per year in the U.S., according to the Centers for Disease Control and Prevention. Most smoking-related diseases strike at age 65 and older. So to quit smoking would be a wise thing to do, if you smoke. Sounds easy, but it can be very difficult if you try to do it alone. There can be unpleasant side effects and the urges to start smoking after you have quit for a while. Doctors suggest getting some kind of help to make your smoking cessation more successful. Behavior counseling, nicotine replacement products, and smoking-cessation medications are available. Health insurance Companies and Medicare usually cover smoking and tobacco-use cessation counseling for beneficiaries who have smoking-related illnesses, or who are taking medications that are affected by tobacco use. They also cover smoking cessation treatments prescribed by a physician (however, over-the-counter treatments like nicotine patches, lozenges, and gum aren't covered). There is no doubt that smoking is a hard habit to break, but with the help of your doctor and other aids it can be very successful! It's never too late to quit! Quitting smoking at age 65 or older reduces your risk of dying from a smoking-related disease by nearly 50 percent.

What you can do.....

1. Throw cigarettes, lighters, and ashtrays in the garbage.
  2. Avoid situations that trigger an urge to smoke, and plan in other activities instead.
  3. Stock up on other things to put in your mouth rather than cigarettes, such as peppermints, or carrot sticks.
  4. List your reasons for wanting to quit, and pin it where you can see it as a constant reminder.
  5. Get support: Call the American Cancer Society at 1-800-227-2345 for details of support groups in your area.
- Wisconsin Tobacco Quitline provides free medications, live coaching, and a 24/7 web coach to help quit smoking. God encourages us to take care of our bodies. You can do it with the Lord's help!

Blessings,  
Carol Mueller, Parish Nurse
