"To each individual the manifestation of the Spirit is given for some benefit." (1 CORINTHIANS 12:7)

St. Paul tells us that God has blessed each of us for a reason. How has God blessed you? Are you using your gifts according to God's plan? How are you helping to build God's kingdom here on earth? Remember that if you don't do the work God planned for you, no one else can do it. Live the life God has intended for you. Take time to discern your charisms (gifts from the Holy Spirit). Experience the supernatural Peace and Joy God desires for each of us.

SOCIAL CONCERNS NOTES – PULASKI FOOD PANTRY

The Pulaski Community Food Pantry is a 501(c)3 non-profit organization, run through the PACE office and supervised by a board comprised of community members.

The patrons of the Pulaski Pantry must reside in the Pulaski School District and meet income requirements based on the federal poverty guidelines. The number of patrons using the Pantry varies from month to month, ranging from about 40 to 65.

As a non-profit, the Pulaski Pantry relies completely on donations. It is supported by food drives organized by each of the Pulaski schools, 13 area churches, and the Boy Scout and the Mail Carrier food drives, as well as monetary donations from local businesses and community members. This support helps to stock the Pantry’s shelves with food, hygiene, cleaning, and paper products.

Some other services provided by the Pantry include a Back to School Store, a Wrapped in Warmth program to provide winter clothing for local children, and a Christmas Gifts for Kids and Seniors program which served 143 children and 24 senior citizens this past Christmas.

PARISH MISSION – SURGE OF THE HEART

We are so pleased to have nationally known author and speaker, Jon Leonetti, do a Parish Mission for us on February 27 & 28. The topics covered are:

EVENING ONE: WHO IS GOD AND WHY DOES THAT MATTER?

We cannot love someone we don’t know. Therefore, to love God, we must first know God. So how do we come to know God? We examine the ways He’s revealed Himself to us. And in understanding the ways He’s revealed Himself to us, we better understand who we are, and the unique mission of holiness God has for us.

EVENING TWO: GOD’S DREAM FOR YOUR LIFE

There is no other meaning, reason, or purpose to our lives than to be in Heaven with God for all eternity. We are called to become saints. How do we get there? We need a plan; a plan given to us by Jesus and His Church.

Please plan to join us for his talks, Q&A sessions, and refreshments on Sunday and Monday from 6:30 – 8 pm in Church. There is no cost, but a free-will offering would be appreciated.

Meet your Flintville Neighbor.....

Look who you are sure to meet at 10:00 a.m. Mass on Sundays. While during the peak of COVID, you might have found her on Tuesdays at the weekday Mass, "I knew it would be less congested, so I made Tuesday my Sundays; I did not like virtual Mass without taking in the Eucharist."

Helen Maki, wife, mother, widow, and grandmother now lives quite independently, and what a strong soul I found her to be. She is one of five children, growing up in Montreal, Wisconsin: a small mining town. Gordon (her late husband) and herself went to the same high school. They married in 1965, and had 3 children: Cheryl, Lynn, and Doug. She was married for 51 years when Gordon passed of medical problems. "He has been gone for 5 years already," she says with a sigh.

She spoke kindly of caring for her husband before his death, and of raising their daughter, Cheryl, who is now 55 years old, disabled, and lives nearby in a CBRF (Community Based Residential Facility). She speaks proudly of her two other children, Lynn and Doug. She worked as a Medical Technologist at St. Vincent Hospital for 16 years and then for the Red Cross for 16 years. "Raising kids and working is a rewarding life but busy, you know, you just keep going," she said.

She talked about the changes at Ss. Edward & Isidore since 1973, after going through 4 priests; Father Bob, Father Hank, Father Dave, and now young Father Dave. She said, "In the good old days, the church was such a community—families met and had dances, baby showers, gatherings to rent the hall, the place where all my friends met. I miss that, but insurance and liability and Covid made many changes on how we get together. Now the entrance of the church is where I do most of the visiting."

Helen is always working to improve herself; she tells me she reviews the Spiritual and Corporal works of Mercy, "to see if I am on the right course—you need to get better as you get older and we all change over the years." She is involved in Care Ministry and visits parishioners and brings communion. She likes to read the New Testament and her favorite passage is LUKE 2:29, "Now, Master, you can dismiss your servant in peace; you have fulfilled your word." We talked about picking out songs at funerals and how important music is in the service.

The "Flintville Flowers" is a group of women she has kept close to over the years. They play cards and meet socially at each other's homes. She is proud to say they have kept it alive with vaccinations and boosters and "having extra room at the table." So, if you go to 10:00 a.m. Mass, stop Helen in the Narthex and say hello! She says, "I am usually the last to leave, I like to talk!"

The Sanctuary Course for Catholics

Beginning at St. John's on January 22nd

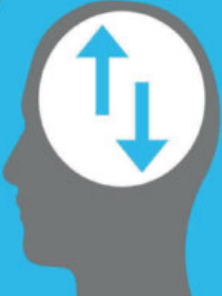

Do you know someone struggling with their mental health? St. John the Baptist

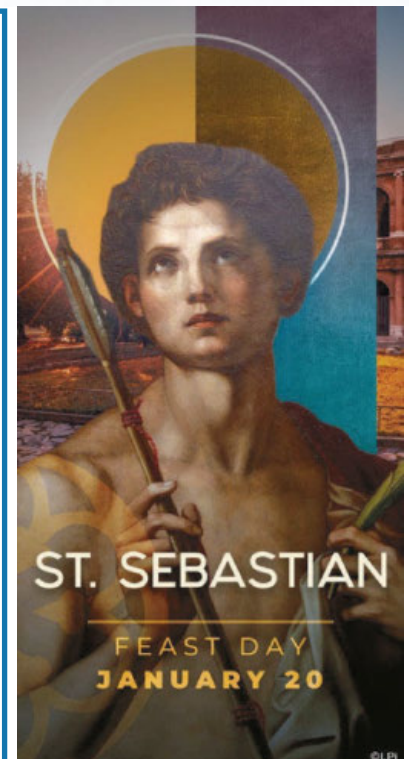

One in four people will be affected by a mental health problem at some point in their lives, yet the stigma surrounding mental illness silences many and prevents faith communities from responding compassionately and effectively. This eight-session course explores the realities of mental health and illness, as well as the vital need for faith-based community conversations about these topics. The sessions are accompanied by compelling films that feature the stories of Catholics living with mental health challenges, along with the insights of archbishops, theologians, and psychologists.

This course is for anyone who wants to learn about faith and mental health!

- People with questions about mental health
- People supporting loved ones with mental health problems
- People living with mental health problems
- Leaders/religious educators who want to engage their community in mental health

Missionaries for Our Children

SPIRITUS Missionaries Are Inspiring Our Youth

- SPIRITUS missionaries made an impact on your parish youth this year by inspiring them through a retreat and accompanying them on their path as they journey ever closer to Christ.
- The missionaries are young adults who give six days a week, nine months of the year to ignite the faith of our Catholic youth. In return, they are provided with room and board, health insurance, ministry and leadership formation, and a small stipend.
- SPIRITUS keeps retreats affordable for tight parish budgets so that they can inspire as many Catholic youth as possible, but these fees only cover approximately 30% of the actual costs associated with SPIRITUS. It's only possible for SPIRITUS missionaries to inspire your youth because of partners who give donations to support the missionaries and their mission.
- Please consider partnering with SPIRITUS through your prayers and financial support. We hope that you will join in this vital mission of the Church. Your gift will make a difference today for our Catholic youth and for years to come as we form future leaders for the Church.

"Faith is God's gift and it grows thanks to the faith and charity of evangelizers who witness to Christ."
