## Our Mission

Our Catholic parish of Ss. Edward & Isidore in Flintville seeks to provide awareness, growth, and understanding of faith in God as missionary disciples of Jesus. We are committed to a stewardship way of life through proclamation of the Word of God, the formation of a Christian community, and outreach to all in times of sorrow, joy, and need. We invite all to discover, share, and celebrate their unique gifts and be a visible sign of Christ to the people we encounter in our community and beyond.

**Thank You!**

Dear Parishioners,  
Thank you very much to everyone who gave me cards and gifts for Easter. It was very thoughtful of you to bless me like this during this holy season!

*"Jesus said to them again, Peace be with you. As the Father has sent me, so I send you."* JOHN 20:21

Peace – the first gift of the risen Lord. Just as Jesus sent the apostles out into the world, so too, He sends us. As disciples of Jesus, we are called to be compassionate and merciful; and not with just those who are our friends, but also with our enemies." Think of someone in your life who you need to reconcile with. Call them right now or better yet, go visit them.

## May Crowning

May Crowning is a traditional Roman Catholic ritual held during the month of May. At the end of a procession a statue of the Blessed Virgin is crowned with a garland or crown of flowers honoring Mary. Our parish will celebrate May Crowning the weekend of May 7 & 8, Mother's Day weekend. We invite all the young people who made their First Holy Communion this spring to come to Mass dressed in their First Communion attire. They will process into church during the opening song with Fr. Dave. Each child will have a flower for Mary. We will have this procession at each of the weekend Masses May 7 & 8.

# Thank You!

Thank you to all who helped make a successful Booyah Sale! We sold over 220 gallons with enough left to serve meals at the NEW Shelter. A special **Thank You** to Jim & Jan Peters for donating chickens, and Karcz Farms for the donation of potatoes and vegetables. Also, the Grzywa family for potatoes, and our friends at Maplewood Meats for all their fine ingredients!

### April is National Volunteer Month

Volunteers make an immeasurable difference in people's lives and often serve with the intention of helping others. Did you know that volunteering can benefit your health, as well?

Research has shown that volunteering offers many health benefits, especially for older adults, including:

#### 1. Improves physical and mental health.

Volunteer activities keep people moving and thinking at the same time. Research has found that volunteering among adults, age 60 and over, provided benefits to physical and mental health, and volunteers report better physical health than do non-volunteers. Research also has shown that volunteering leads to lower rates of depression and anxiety, especially for people 65 and older. Volunteering reduces stress and increases positive, relaxed feelings by releasing dopamine.

#### 2. Provides a sense of purpose and teaches valuable skills.

The work that volunteers provide is essential to everyday activities, which gives volunteers a sense of purpose, especially when volunteering in the areas they find meaningful. Older volunteers experience greater increases in life satisfaction and self-esteem.

#### 3. Nurture new and existing relationships.

Volunteering increases social interaction and helps build a support system based on common interests. One of the best ways to make new friends and strengthen existing relationships is to participate in a shared activity. Dedicating time as a volunteer helps expand social network and practice social skills with others.

Are you interested in becoming a volunteer? There is a wide variety of volunteer opportunities in every community, whether you are interested in youth, environmental, health, religious or community causes. We have lots of volunteer opportunities at our parish! Go to our website and view our Stewardship Handbook for a list of opportunities (click on other links on our home page to find it) or call the parish office and speak to a staff member. We will help you get involved in an area that interests you and may even help to improve your health!

Thank you to all our wonderful volunteers!
