"...Peter was distressed that Jesus had said to him a third time, 'Do you love me?' and he said to him, 'Lord, you know everything; you know that I love you.' Jesus said to him, 'Feed my sheep.'" JOHN 21:17

How often do you actually say the words "I love you" to Jesus, to family members, or to friends? We are made to be in relationship with God and each other. Sincerely telling someone that you love them is the best gift you can give them because it comes from your heart. You are giving them the gift of yourself. We all crave love. Tell someone you love them every day.

Christian Formation Registration 2022-2023

Registration for next year's Christian Formation classes will be ONLINE starting on May 2nd.

Called to Share the Faith

Class registration for the 2022-23 Christian Formation Program will begin online on Monday, May 2nd. We are excited to welcome your children and young people back in the fall.

With expected increase in enrollment; discussion leaders, catechists and subs are needed for all levels: Liturgy of the Word, Kindergarten - 5th grade, Middle School, High School and Confirmation.

We have been blessed to have had dedicated volunteers who have answered the call to share their faith and pass it on to our children, WHO ARE THE FUTURE CHURCH! Those people are moms, dads, grandparents, high school students, people who have made it a priority in their lives to pass down the Catholic faith. These people are you!

Now you must be thinking, I can't teach, I can't be a catechist! Each of you is a person of faith - you have wisdom, faith and life experience that is just waiting to be shared with our youngest church members.

Catechist training is provided, along with the support from Phyllis, Mary, Father Dave, Deacon Rob, parents and fellow catechists.

Please prayerfully consider offering your time and talent to our Christian Formation program!

If you have questions or are simply looking for more information, please contact the Christian Formation Office at 920-865-7677. Please answer the call to share the faith!

May Crowning

May Crowning is a traditional Roman Catholic ritual held during the month of May. At the end of a procession a statue of the Blessed Virgin is crowned with a garland or crown of flowers honoring Mary.

Our parish will celebrate May Crowning the weekend of May 7 & 8, Mother's Day weekend. We invite all the young people who made their First Holy Communion this spring to come to Mass dressed in their First Communion attire. They will process into church during the opening song with Fr. Dave. Each child will have a flower for Mary. We will have this procession at each of the weekend Masses May 7 & 8.

HEALTH NOTES

The Importance of CPR

Each year, more than 350,000 EMS-assessed out-of-hospital cardiac arrests occur in the United States. When a person has a cardiac arrest, survival depends on immediately receiving CPR from someone nearby. According to the American Heart Association, about 90 percent of people who suffer out-of-hospital cardiac arrests die. CPR, especially if performed immediately, can double, or triple a cardiac arrest victim's chance of survival.

If you are called on to give CPR in an emergency, you will most likely be trying to save the life of someone you love. The importance is on the willingness of bystanders to act in a cardiac arrest emergency. Did you know about 70 percent of out-of-hospital cardiac arrests happen in homes? If you are called on to give CPR in an emergency, you will most likely be trying to save the life of someone you love. Be the difference for your parent, spouse, child, family-member, friend, or co-worker. What if it were you?

Take 90 Seconds to learn how to save a life. Visit www.heart.org/handsonlycpr to watch the Hands-Only CPR instructional video and share it with the important people in your life. Hands-Only CPR is a natural introduction to CPR, and the AHA encourages everyone to learn conventional CPR as a next step. You can find a CPR class near you at www.heart.org/findacourse. I offer CPR classes at our parish, once or twice a year, as well! Don't miss the opportunity to learn how to save a life!
