Parish Mission Statement:

That the people of St Anthony of Padua parish experience the love of Jesus Christ through:

Vibrant sacramental life

Knowledge of the truth and beauty of the Catholic Faith

Generous service to others

Family atmosphere

So that we can all be true disciples of Jesus that reflects

His commandment to "Love one another"

Tragedy and disappointment are inevitable. What sees you through this? There will be challenges, changes, unexpected circumstances, interrupted plans, hurts, and injustices experienced by every human being at some point in their lives. We will be asked to adjust our plans, change course, and even encounter suffering and death. Where do we learn all of the lessons we need to live life well? Some of them we learn along the way but much of what we bring to life, positive and negative, comes from our early beginnings, our families. This is our early world and provides the blueprint for how we see the bigger, more inclusive world, which unfolds before us.

Our families of origin can be sources of grace, heartache or a combination of both. Families are intended to be pivotal in providing us with proper social structure and understanding, a support system, lessons about relationships and communication, and the unconditional acceptance and love we so desperately crave. They can also determine whether we have an accessible and healthy relationship with God. Many of life's challenges can literally bring us to our knees and require that we possess a strength of character that resides well beyond the superficialities of our world. At some point we will all need three coping gifts that can be given to us only by God: faith, hope, and love. Our families help us learn that we are not the ones responsible for their creation, but God!

Our experience of early family life colors all of our relationships and what we expect to achieve from life in general. Resolving conflicts, dealing with difficulty and suffering, celebrating accomplishments, prioritizing our needs, listening to God's call, understanding relationships, understanding disappointment, learning about the virtues and living a centered focused life are all lessons our families either succeed in teaching or do not. To succeed, as God has designed and ordered our world, is to discover his presence and then trust that Presence. The Holy Family can teach even the most dysfunctional family how to best use God's gifts of faith, hope, and love to find him and do his will. Their simple humble example is always before us, showing us the way. Jesus, Mary and Joseph, pray for us!

A Prayer for the Feast of The Holy Family

Father in heaven, creator of all, you ordered the earth to bring forth life and crowned its goodness by creating the family of man.

In history's moment when all was ready, you sent your Son to dwell in time, obedient to the laws of life in our world. Teach us the sanctity of human love, show us the value of family life, and help us to live in peace with all men that we may share in your life for ever. We ask this through Christ the Lord. Amen.
Amen.

HOLY FAMILY

Happy New Year! As 2020 comes to a close we are thankful for the many blessings we have been given as a Catholic school community. We are thankful to have the opportunity to offer daily, in person instruction to our 400+ students. We are also thankful for the families that consider the gift of Catholic education for their children and grandchildren. In January, we begin planning and enrolling for the 2021-22 school year. We would love to share what ASCS has to offer. For more information or to schedule a tour, please call/email Sue Wendorf (262)925-4024/swendorf@allsaintskenosha.org Moving Forward in Faith!

March for Life Chicago Travels Through the Midwest in January 2021

Spanning three weeks in January and covering five states, pro-life advocates from around the Midwest will gather in multiple locations leading up the March for Life Chicago. The march, an annual event, draws thousands from across the Midwest to celebrate all human life from conception through natural death. "Over 130,000 lives are lost in the Midwest each year to the tragedy of abortion," stated March for Life Chicago Executive Director Kevin Grillot. "Each one of us has the opportunity to stand up against the biggest human rights crisis of our time. In 2021, we are bringing the March for Life Chicago to individual cities, giving people the chance to mourn the many lives lost in their communities and to advocate for a life-giving future for unborn babies and for their parents."

The local tour stops will build up momentum that will culminate in the major event on January 23 - the March for Life Chicago. As in past years, diverse groups united by their respect for life will gather together in downtown Chicago. Careful attention will be paid to the logistics to ensure that pro-life voices are heard, local regulations are honored, and all marchers are kept safe.
