God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream, lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus. ©LPI

Pray with Me

Dear God,  
As we begin this New Year, let us never  
forget all that You have given us –  
family, relatives, friends, home, food,  
clothing, employment and all that we  
have.  
May we be ever grateful and praise You  
each day! Despite Covid, street  
aggression, hatred, bigotry, national  
issues, we need to stay focused on the  
positive in our lives and that positive is  
Your love for us. Your love for us is what  
gives meaning to our everyday lives and  
goals and dreams. Your love helps us see  
the good in others and the good in the  
city around us and the good in the world  
around us. May we zero in on that good  
and spread Your love to others through  
our actions and words and quiet deeds.  
Let us Dear God be Your shining light to  
all around us. An active reminder to our  
broken world that the world does not  
need to be broken,  
That You are the Healer and  
Savior! Amen
