A Reflection on the Gospel

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

Please pray for our Confirmands as they go on their retreat to LaSalle Manor Sunday, January 30th. May the Holy Spirit enlighten, guide, strengthen, console and open their hearts as they embark on this journey.

Our condolences to parishioner Marcia Duvick whose granddaughter, Hannah Nash, died in Colorado on January 8, 2022. May her soul rest in peace.

Sunday of the Word of God

(Observed on the Third Sunday in Ordinary Time)

“He opened their minds to understand the Scriptures”
-Lk 24:45

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

Catholics nationwide are preparing to pray *9 Days for Life*, the annual pro-life novena beginning this year on January 19.

In the Catholic Church, a ‘novena’ consists of prayers or actions over nine successive days. This pro-life novena is an opportunity for recollection and reparation in observation of the anniversary of *Roe v. Wade*—the Supreme Court decision that made abortion legal throughout the United States.

Sponsored by the Committee on Pro-Life Activities of the U.S. Conference of Catholic Bishops, *9 Days for Life* began in 2013 in commemoration of the 40th anniversary of the *Roe v. Wade* decision. This is the tenth year the novena is taking place.

The overarching intention of the novena is the end to abortion. Each daily intention highlights a related topic and is accompanied by a reflection, educational information, and suggested daily actions. The novena encompasses the annual Day of Prayer for the Legal Protection of Unborn Children on January 22. All are invited to sign up at 9daysforlife.com.

ABORTION IS NOT HEALTH CARE

In recent years pro-abortion groups have radically altered their messaging strategy, abandoning the slogan of “choice” to claim instead that abortion is simply essential health care for women. References to abortion or abortion “services” have been replaced in pro-abortion literature by the euphemism “abortion care.” By claiming an objective basis in medicine, abortion supporters seek to marginalize health care providers and others who disagree with them, dismissing these Americans as not living up to “the standard of care.” But this claim is contrary to the facts. Abortion is a marginal practice, neither performed nor accepted by most health care providers; it does not improve (and can even jeopardize) women’s life and health; and American law has recognized for decades that it is not “just another medical procedure.” Far from being integral to our health care system, abortion is something that supporters seek to impose on that system by force of law.

Dearest St. Joseph,
at the word of an angel,
you lovingly took Mary into your home.
As God's humble servant, you guided
the Holy Family on the road to Bethlehem,
welcomed Jesus as your own son
in the shelter of a manger,
and fled far from your homeland
for the safety of both Mother and Child.

We praise God that as their faithful protector,
you never hesitated to sacrifice
for those entrusted to you.
May your example inspire us also
to welcome, cherish, and safeguard
God's most precious gift of life.

Help us to faithfully commit ourselves
to the service and defense of human life
—especially where it is
vulnerable or threatened.
Obtain for us the grace
to do the will of God in all things.
Amen.
