## Reflection from Fr. Ron

The Gospel today recounts Jesus' parable of the barren fig tree. The gardener pleaded for one more year, one more chance for the fig tree to become what it was meant to become. It is a reminder of the shortness of our lives and our dependence on God's grace to create in us the fruit of holiness and good works. It is Christ within us that produces good fruit, as we become less and he becomes more.

So we seek to be transformed through our utter and complete surrender to him, becoming more and more like him – becoming, in a sense, him. And just as bread and wine retain their appearance while becoming Christ, we too remain in our unique and particular form even as we are transformed.

We are in the season of Lent and God affords us this time as a grace to be repentant. All of us have some dark areas that need changing.

Instead of covering up our faults, instead of justifying ourselves or blaming others, let us face the truth about ourselves and make the necessary step to reform—before it's too late.

May we bring the child-like love as we offer ourselves in union with the offering of bread and wine on the altar.

## SUNDAY'S READINGS

**First Reading:** "This is what you shall tell the Israelites: I AM sent me to you." (Ex 3:14)

**Psalm:** The Lord is kind and merciful. (Ps 103)

**Second Reading:** These things happened to them as an example, and they have been written down as a warning to us, up on whom the end of the ages has come. (1 Cor 10:11)

**Gospel:** "But I tell you, if you do not repent, you will perish as they did!" (Lk 13:5)
