PALM SUNDAY

As he rode along, the people were spreading their cloaks on the road; the whole multitude of his disciples began to praise God aloud with joy for all the mighty deeds they had seen.
- Lk 19:36, 37b

Reflection from Fr. Ron

Have faith in yourself that you will remember your truth and the knowledge stored deep within your soul. There may be moments in which you cannot see the truth – moments of darkness and uncertainty. Life can be difficult, and there may be times when you cannot make sense out of it or stay afloat. These are the moments that require faith. Faith is the lone candle in the darkness when you feel an invisible net that lies beneath you when you feel as though you may stumble. It is what carries you through those patches of temporary amnesia. Faith is simply believing, without any tangible proof, that although the truth may seem eclipsed at times, it does not disappear forever. It simply lies dormant inside you until you reconnect with your innate wisdom. There are many ways to restore your faith during the dark moments, when the light appears too dim to see and the truth seems too hazy to recall. By surrounding yourself with people who know your personal truth and who are familiar with your authentic self, you can keep yourself rooted to your truth. Faith can also be reignited by engaging in any activity that centers you; like prayer, meditating etc. These activities can act as mechanisms to pluck you out of your amnesia.

Palm Sunday SHARING GOD'S LOVE

For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. —John 3:16 As we enter Holy Week, we remember how our Lord suffered and died so that each and every one of us might be saved from sin and have eternal life. Reflect on God's infinite love for you. How have you responded to that love this Lent, and how can you share it with others? Visit crsricebowl.org to learn more.
