SAINT JOHN BOSCO YOUTH MINISTRY & THE NET TEAM

Greetings from Bosco Youth Ministries and the NET team! Advent season has started. We are so excited for the weeks to come, and for our Lord and Savior to be born. In the first week of December the NET team held our monthly high school morning with donuts and coffee. High School students are invited to come and go as they please during the morning. It's a great time for them to chat and relax before class every first Friday of the month in the Community Center at Jasper High School from 7:00-7:50 AM. During the Second week of Advent, Bosco held a Christmas Caroling event for High School youth. We stopped by homes of the elderly or homebound within our community to spread the Christmas joy with singing and Christmas cookies. We brought many smiles to different homes within this Christmas season. The NET team departed for Christmas break on December 14th and will be returning to Jasper on January 10th. We wish you a blessed Christmas and a Happy New Year!

Bosco Youth ministry events will be postponed until the end of December break. See our schedule for details. Thank you and God Bless.

When municipal offices
(City and/or County)
are closed
our 8:00 AM
Mass is
cancelled.

HOLY TRINITY CATHOLIC SCHOOL *Preschool & Prekindergarten Registration* will begin on Tuesday, January 11th for all current Kindergarten-8th grade families. Registration for current Preschool and Prekindergarten families will begin on Wednesday, January 12th. These families may register at our Central Campus beginning at 7:00AM on the given day. Registration for Preschool and Prekindergarten will then be open to new families on Thursday, January 13th at 5:00PM in the Central Campus office. All registrations must be completed in person. In order to register, the following items must be submitted at time of registration: registration form, non-refundable registration fee, and August tuition payment. All new students need to submit a copy of their birth certificate and a copy of their baptismal certificate (if applicable). For class options, please call the Central Campus office at 812-482-4461.

EVERYDAY STEWARDSHIP

Stewardship Ties

There is a lot of imagery around Christmas that has to do with adoption — or, more specifically, with a child being loved by another as if they belonged to that person and loved in such a profound way that in time, they do come to belong to that person.

We see this with Joseph and the infant Jesus. Joseph is not Jesus' biological father. But through a series of actions, and through his faithfulness in small, everyday matters, Joseph becomes the foster father of Jesus.

Perhaps we are parents who have adopted children, or we ourselves were adopted. We have also seen how, through a series of actions of love and sacrifice, someone can become the parent of a person who is not their "blood." A lot of times these families celebrate the day of the adoption. I've heard it called a

"gotcha day," and it's marked joyously, like a birthday.

Most of us are not descended from the Israelites, God's Chosen People. But through a series of extraordinary actions of love and sacrifice, God has made Himself our parent, too. And through our own actions, and through faithfulness in small and everyday matters, we are His children.

But in this family, instead of blood ties, we have stewardship ties. It's not about who we look like, it's about how we treat one another. How we take care of one another.

So this Christmas, let's think about how we will celebrate our adoption. As much as it is Jesus' birthday, it's also our "gotcha day" — the day we received the gift of eternal family.

END OF YEAR

Tips to help yourself and your parish,

- 1) As you do your end of the year tax planning, you may want to take advantage of the tax law that has been extended for 2021. This law allows taxpayers who itemize to deduct up to 100% of their AGI for 2021 qualified contributions.
- 2) Taxpayers who do not itemize can deduct up to \$300 (individual) or \$600 (married filing jointly) for cash contributions to qualified charities.
- 3) Federal Law requires the owner of an IRA to begin taking a required minimum distribution from their IRA when the owner attains age 72 or 70 ½ if you reached 70 ½ before December 31, 2019 or face a significant tax penalty. If you take the distribution, the amount is taxed to you. But, if you are 70 ½ or older, you can direct the custodian of your IRA to make a qualified charitable distribution from your IRA directly to Saint Joseph Catholic Church. If a direct distribution is made from the IRA to the Church, you avoid paying tax on the distribution. To qualify you must direct the custodian of your IRA to make the distribution before the end of the year. Year-end is near. Save taxes and help your parish.

This is only basic information, please check with your tax advisor on what is best for you.

Rosary 101

January 2nd, 9th, or 16th
after the 7:30AM or 9:30AM Mass

Join us to learn how to pray the rosary. Families are welcome. Beth or Lynn will meet you by the piano in church following mass. This will last approximately 45 minutes and you will be given a rosary booklet to take with you.

From Edward Sri's article *"Why pray the rosary"* *"When we pray the rosary in its ideal setting, doing a whole set of mysteries, the prayer can slow us down, calm our hearts, and enable us to rest in God's presence. It draws out the deepest desires in our souls, desires for God and God alone."*

As John Paul II explained, this loving repetition *"embodies the desire for Christ to become the breath, soul and all of one's life"* (RVM, 27). In the same way, the repeated prayers in the rosary help us get more in touch with the deepest desires in our souls for God.

Coming Back to Church

Question:

I have been away from the Church for a few years and really want to get active again, not so much for me, but for my children. Is this a bad reason to come back to Church?

Answer:

If you are on your way to the supermarket, and you are forced to detour from your usual route because of road work, does the food you buy taste different? Is the meal less filling? Are the vegetables less tasty? Of course not. In our faith journey, there are many detours called sin. Some are greater than others, some are even a bit longer. But God's grace comes to us in ways we understand and recognize and need. Your children leading you back to the Church is not as important as the fact that you are back.

This is an opportunity for you to renew, strengthen, and deepen your faith. Regardless of how we get to Church, or what draws us closer to God, the fact is we are there. Do what you need to do to get right with God and the Church. Go to confession, begin good family religious practices, and be involved in the ministries your parish offers. Be more than a lukewarm parishioner. Be the kind of Catholic you want your children to be.

We are here for you. Tell us what you need and how we can help. You remain part of our family.

December 25, 2021
The Nativity of the Lord

“He so loved us that for our sake He was made man in time, through Whom all times were made; was in the world less in years than His servants, though older than the world itself in His eternity; was made man, Who made man; was created of a mother, whom He created; was carried by hands which He formed; nursed at the breasts which He had filled; cried in the manger in wordless infancy, He the Word without Whom all human eloquence is mute (St. Augustine, Sermon 188).” The miracle of what happens at Christmas is truly an awesome mystery. Revealed in the silent ordinariness of life is God’s intimate love for humanity and all that He made. The Word, existing for all time, comes and dwells among us. God kisses us. We can seek and soar with playful delight as a joy never known before fills our heart.

Joy is best expressed through dance. There is just something truly wonderful about the self-

abandon a beautiful melodic dance reveals. If we are able to let go and really be free, it celebrates life in a way few other experiences really can. With the birth of Jesus Christ, God takes the Divine Dance to a deeper and more tangible level. We can now not only see what we believe but believe what we see! This most perfect dance is a call to beauty, innocence, truth, purpose, hope, faith, and love. Today we know, beyond doubt, that we are a necessary part of God’s beautifully choreographed masterpiece of life and not just a random happening without real intent or purpose. We are loved, treasured, and blessed.

Accepting the truth of God’s birth in time we also accept an invitation to dance with God. We can let go of what tethers us to anxious concerns and superficial securities. Throw caution to the wind and go with God. We have been blessed with talents, gifts, and life eternal. Follow the rhythm of the dance with joy and listen to what the Word who became flesh tells us about what the next steps can be. Today, heaven remains the same, but earth has been profoundly changed.

Saint Michael the Archangel, defend us in battle. Be our protection against the malice and snares of the devil.
