St. Joseph Church

Church Renovation Update for Bulletin

January 22 & 23, 2022

Our journey to repair, restore, and preserve St. Joseph Church for future Generations is progressing. Since the scaffolding has been removed, we have received positive comments on the exterior work completed. There have been some questions about the lighting of the clock face and the steeple. The following addresses those questions:

- ◆ The steel clock frame was repainted and the white clock face was replaced
- ◆ New lighting is planned for the clock face, however still not received due to supply chain issues
- ◆ The lighting fixtures for the steeple were replaced, however may need to be adjusted now that the scaffolding is removed
- ◆ The maintenance door on the west side of the steeple was replaced with new copper. The copper color will tone down and the patina restored as it ages.

There are some areas that could not be reached on the scaffolding. As we have warmer weather return, a large lift will be used to finish up the mortar joints that could not be reached. Other remaining exterior areas include installing stone facing on the new north side steps, replacing sidewalks, repairing and reseeding lawn areas, and minor landscaping.

Identifying the tunnel & floor structure integrity issues has resulted in major redesign of the mechanical, electrical, and plumbing infrastructure in our church. Although unfortunate, it was a blessing as it enables us to truly address these systems and of course the integrity of our floor for the long term.

At this point, the majority of the tunnel which was around the entire perimeter of the Nave of the church has been filled in and compacted. The two large openings on the East side of the church are for the ductwork for our new HVAC system. The trench for this ductwork that goes down the center of the church around the altar to the West main entrance is progressing well. We are anticipating delivery shortly and upon receipt we will begin installation. This is a major step.

The erection of the steel for the balcony structure and gathering room walls is underway. It is good to see the progress with the tunnel being filled in and compacted and the steel going up. That is progress.

We are awaiting delivery of materials and equipment needed to proceed. We are having some challenges. Inflation, supply chain issues, general economic conditions, and of course, the pandemic are impacting our total costs and our schedule.

The good news is we are making progress on our journey to repair, restore, and preserve St. Joseph Church for future generations.

As a reminder, we all need to be careful, take precautions, respect the fencing and boundary markings around the church to ensure safety of all. Our church is a construction site. We know it is tempting to take a peek inside the church, however we respectfully ask that you do not do this as we have a lot of activity with the materials, equipment, and workers moving. It can be dangerous and we want to keep everyone safe.

Thank you.

EVERYDAY STEWARDSHIP

RECOGNIZE GOD
IN YOUR ORDINARY MOMENTS

PLANT YOUR WORKS IN THE WORD

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

We are listening!

The Diocese of Evansville

is hosting listening sessions to get a better sense of how God is working

among us in our Diocese. This is part of the Synod of Bishops that will take place in 2023. Our focus is listening to you. We want to know how you've been helped or not helped by the Church over the last few years and how you've experienced God through it all. The listening session for our parish will be held **Wednesday, January 26, 6:30PM at Holy Family Fellowship Hall**. If you can't attend that session, there are other sessions in the area. Just visit evdio.org/synod for more information or to take an online survey.

Time • Talent • Treasure

Here you have the three "T"s of Stewardship. What is your gift? What is it you like to do that can help your fellow parishioners, our community, and our parish?

Some gifts the Spirit gives are mundane: service, mercy, helping, administrating (Rom. 12:7–8; 1 Cor. 12:28). Not every Christian possesses every spiritual gift, but all Christians possess some gifts, and the Spirit has given us those gifts to build up the church.

SAINT OF THE WEEK – EXAMPLES OF OUR FAITH

St. Thomas Aquinas | January 28

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, “The Summa Theologiae.” Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

- For men: Andy Hagedorn (812-498-6144)

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

QUESTIONS OF THE WEEK

PLEASE SHARE YOUR THOUGHTS - Email: editor@SaintJosephJasper.org

First Reading:

Ezra and Nehemiah were the religious and political leaders of Judah in the mid-5th century BC. They grounded their leadership in Scripture (“the book of the law.”) What role does sacred Scripture have in guiding your life?

Second Reading:

Paul used the human body as an analogy for the “many parts” of the Christian community in Corinth that should unite as the “one body” of Christ. In what ways do you find this a challenging vision for community?

Gospel:

Today's reading contains both the opening prologue to the Gospel of Luke and the initial reaction to Jesus' return to his hometown of Nazareth. Luke is the only Evangelist to provide us with a prologue outlining his motivation to write his Gospel. What details do you find most interesting from Luke's prologue?

Jesus and the End Times by Dr. Brant Pitre 4-parts

Tuesdays 7-9PM (not all classes will be 2 hrs.) March 1, 8, 15 & 22

OR

Sundays 10:30AM-12:30 (not all classes 2 hrs.) March 6, 13, 20, 27

Have you ever wondered what the Bible teaches about what will happen at the End of Time? Many Catholics have heard about "the Rapture," the coming of the "Anti-christ," and the Second Coming, but are unsure exactly what to believe about these topics. Many Christians are unaware that the Catholic Church has very explicit teachings about the Tribulation, the Antichrist, the Second Coming, and the New Creation. If you've ever wondered about where this world is heading and what the ultimate destiny of humanity is, then you don't want to miss this study of the truth about what the Bible and the Catholic Church teach about the last days. (DVD based)

The Jewish Roots of Holy Week-Dr. Brant Pitre 2-part

Tuesdays 7-8:15PM March 29 & April 5 OR

Sundays 10:30-11:45AM April 3 & 10

Most people know that Jesus celebrated the Last Supper on Holy Thursday, died on Good Friday, and lay dead in the tomb on Holy Saturday. But what about the *other* days of Holy Week? What did Jesus choose to say and do on the last seven days of his life? In these riveting presentations, Dr. Brant Pitre takes his knowledge of the Jewish roots of Christianity and uses it to unveil the mysteries of the most sacred and solemn week of the entire year: "Holy Week." If you're looking to get more out of the season of Lent this year and to truly enter into the mystery of Holy Week with Jesus, then this Bible study is for you. (DVD based)

The "Wild Goose" series continues!!

If you missed the fall series, you can participate in part II. This will be a 6-week study viewing more topics on the Holy Spirit.

Mondays 1:30PM, Starting February 28

If you allow him, the Holy Spirit will lead you to a place of mercy, healing, peace, and presence. The Wild Goose series will help you experience a deeper relationship with the Person of the Holy Spirit, and as you come to experience God's presence and power, this very same Spirit will transform you and bring you freedom. The sessions will last a little over an hour and include a video and discussion.

January 23, 2022
3rd Sunday in Ordinary Time

Human history reveals many periods where people lost a sense of God’s transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the “gods” of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God’s constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God’s Word, God’s life, to touch us

and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one’s soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn’t forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God’s Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God’s fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

Saint Michael the Archangel, defend us in battle. Be our protection against the malice and snares of the devil.
