# REGISTRATION INFORMATION

## REGISTRATION

Assume you are registered in all the programs you have signed up for. The Parks and Recreation Department will only notify you if a program is full or canceled. If you would like to receive an email confirmation, please make note on the registration form.

Registrations will not be processed without payment. A \$30 fee will be assessed for any checks returned. Refunds for unsuccessful registrations will be issued within 21 days of the start of a program.

## RESIDENCY

Residents are those who pay their property taxes directly to the Village of Grafton. Resident fee status applies to Village of Grafton residents for all programs and facility usage. Town of Grafton residents pay their taxes to the Town of Grafton. These tax dollars are not used to subsidize Grafton Parks and Recreation programming; therefore, Town of Grafton residents are considered non-residents when registering for all Parks and Recreation Department programs and park rentals.

## CLASS SIZE

Programs are designed according to an instructor/student ratio and at an age level that will benefit each student. Certain programs have class size limits. The decision to exceed these limits is at the discretion of the Program Director and the Parks and Recreation Director. If a chosen program has reached capacity, your name will be placed on a waiting list. You will be notified by phone or email of any openings that may become available.

## WAITING LIST

A waiting list will be started after a program has reached the maximum number of participants. Payment is not accepted and participation is not guaranteed at this time. If a vacancy occurs, participants will be called in the order of registration and full payment will need to be made prior to attending the program.

## AGE GUIDELINES

All participants must meet the minimum age/grade requirements by the last day of class. All age requirements are set to benefit children by providing a safe and uniform learning environment. Grade = grade level of the student as of September 1, 2024.

## ACCIDENTS AND INJURIES

The Parks and Recreation Department does not provide medical insurance coverage for injuries suffered while participating in Department sponsored activities and events. Each participant must assume responsibility for all medical bills incurred from personal injury while participating in a Department sponsored activity or event.

## CONCUSSION INFORMATION

As a parent and as an athlete, it is important to recognize the signs, symptoms, and behaviors of concussions. Click [here](#), for more information on concussion awareness.

## INCLEMENT WEATHER

Unsure if a class will be canceled due to inclement weather? Staff will notify participants by phone within 30 minutes of program start time. Cancellations will also be posted on the following:

1. [Facebook](#)
2. [Instagram](#)
3. [Twitter](#)

## PHOTOGRAPHY POLICY

During programs and events, we will periodically take pictures for publicity. By participating in events/programs you are giving us permission to use your photo in media publications. If you do not want your picture taken or used in publications or advertisements, please let us know immediately.

## FIND AN ERROR?

The Parks and Recreation staff has made every effort to prepare this recreation activity guide as accurately as possible. However, errors may occur in days, times, registration requirements or fees in our brochure. When such an error occurs, our staff will do everything possible to correct the situation. We thank you for your patience and understanding.

# PROGRAM INFORMATION/POLICIES

## POLICIES

### PROGRAM REFUND POLICY

1. Unconditional refunds will be allowed 2 days prior to the start of a program. A \$10.00 fee will be retained as an administrative charge. Registrations paid by credit card will be credited back to the credit card less any applicable administrative fee. To avoid the administrative fee, you may apply the refund as a credit to your account to be used toward a future registration.
2. Illness and/or injury refunds will be allowed after the start and before completion of 50 percent of a program. Fifty percent of the program will be assessed as an administrative charge for refunds meeting this criteria.
3. Refunds will not be allowed after completion of 50 percent of a program.
4. Full refunds will be given for Department canceled programs due to insufficient registration, facility conflicts, or weather.

### HEAT INDEX POLICY

The Parks and Recreation Department may require that outdoor activities be canceled when excess heat and/or humidity are dangerous to program participants, staff and spectators. When the National Weather Service ([www.nws.noaa.gov](http://www.nws.noaa.gov)) issues a Heat Advisory or Warning for our area, the following guidelines will be implemented:

**Heat Index of 105 or above  
All outdoor youth and adult activities  
will be canceled!**

It is the responsibility of the parent/guardian to make the ultimate decision as to the participation of their child when heat may be a factor, taking into consideration the age and physical condition of their child. Please provide proper sunscreen prior to programs with limited shade protection. The Parks and Recreation Department will make every effort to reschedule classes canceled due to inclement weather, provided the instructor is available. To learn if a program has been canceled; Like us on Facebook [@GraftonParksandRecreation](https://www.facebook.com/GraftonParksandRecreation), follow us on Instagram [@GraftonParksandRec](https://www.instagram.com/GraftonParksandRec), Twitter [@GraftonParks](https://twitter.com/GraftonParks), or call the Parks and Recreation Department at 262-375-5310.

### FACILITY USAGE REFUND POLICY

1. Unconditional refunds will be allowed 30 days prior to a park/facility reservation date. A \$10.00 fee will be retained as an administrative charge.
2. For park cancellations less than 30 days prior to a park/facility reservation date, 50 percent of the park fee will be retained as an administrative charge.
3. Refunds will not be granted on or after a park facility reservation date.
4. Full refunds will be given if the Department cancels a park reservation date. (i.e., closed due to repair or maintenance.)

### FAMILY AQUATIC CENTER

There will be days when the pool will be opened late, closed early, or not opened at all due to inclement weather. Conditions that affect pool closing:

1. Air temperature 64 degrees or below
2. Inclement weather (i.e., rain, electrical storms, tornado)
3. Poor attendance (less than 10 swimmers after 1 hour of opening)

The Manager or Assistant Manager will determine if unsafe conditions exist. Rain checks will be issued to patrons if the pool is closed before less than half of the swim time has elapsed.

**Swim Diapers:** To prevent possible pool closures, we require that all children not fully potty-trained wear swim diapers. If you should forget to bring a swim diaper, assorted sizes are available for purchase at the front counter.

**Children Supervision:** All children age 8 years and younger must be directly supervised by someone age 16 and older.

**Life Jackets:** Life jackets may be worn, but must be Coast Guard approved. For safety reasons, water wings and goggles that cover the nose are prohibited.

The Grafton Family Aquatic Center is committed to providing access and reasonable accommodation for individuals with disabilities. To request reasonable accommodation, contact the Parks and Recreation Department at 262-375-5310 or email [choier@villageofgraftonwi.gov](mailto:choier@villageofgraftonwi.gov).

## CHESS CAMP - BEGINNERS

This camp is for students who are new to chess or have some experience. This camp will teach opening principles, the first six mating strategies and if time permits, focus on some of the basic tactics including pins, forks, skewers, and discovered check. We encourage students to come to camp knowing how to move pieces. This can be done easily for free on many websites. One useful site is [www.ChessKid.com](http://www.ChessKid.com) where students can obtain a free basic membership and take the first six lessons. Students will participate in a five round tournament competing for trophies and medals. Open to children ages 7-14. **Camp instructed by Wisconsin Scholastic Chess Federation (WSCF).**

## LIFEGUARD TRAINING - BLENDED

This American Red Cross Lifeguard course will cover the knowledge and skills to acquire your lifeguard, CPR/AED, and first aid certifications. Successful completion of the course earns you a 2-year nationally recognized certification. Attendance at ALL meeting dates is mandatory and certification is not guaranteed as participants must score above 80% on written tests and pass all in-water skills tests. Mandatory swimming pretest on the first day of class. Please bring swimsuit, sweats, towel, snacks, and class textbook (information on obtaining this will be emailed ahead of time) to each meeting day. This is a blended learning class, so please allow at least 8 hours to complete the online training before coming to class. Participants must include valid email address when registering, as this is how you will receive mandatory pre-course assignments. Participants must be age 15 by the last day of class. *Instructed by Jessica Heller, Heller Safety Solutions.*

# SWIM LESSON INFORMATION

American  
Red Cross

The Grafton Parks and Recreation Department is excited to offer American Red Cross swimming lessons!

Our program helps swimmers of all ages and varying abilities develop their swimming and water safety skills. Please review the class descriptions below for appropriate child placement.

**Parent/Child 1** - Introduces basic skills to parents and children. Parents learn how to safely work with their child in the water, including how to appropriately support and hold their child in the water and how to prepare and encourage their child to participate fully and try the skills. Each child must be accompanied by parent or caregiver. Requirements: Ages 6 months - 3 years

**Parent/Child 2** - Build on the skills introduced in Parent/Child 1. Participants improve on these skills and learn more advanced skills. Water safety topics are also included in this level. Each child must be accompanied by parent or caregiver. Requirements: Ages 18 months - 3 years

**Preschool 1** - Preschool 1 orients children to the aquatic environment and helps them gain basic aquatic skills that are the foundation for the later levels. Front and back floats, glides, leg, and arm actions are taught. Age appropriate water safety topics are reviewed. Requirements: Ages 4 - 5

**Preschool 2** - Preschool 2 builds upon the Preschool 1 skills to help children gain greater independence in their skills and develop more comfort in and around the water. Bobs, retrieving objects under water, floating and gliding independently, treading water, and combined arm and leg actions on the front and back are the focus. Requirements: Ages 4 - 5 and passed Preschool 1 or equivalent

**Preschool 3** - Preschool 3 further develops the Preschool 2 skills so children gain basic swimming propulsive skills. Independent swimming on front and back are the primary focus. Requirements: Ages 4 - 5 and passed Preschool 2 or equivalent

**Level 1** - Teaches basic personal water safety skills to help children feel comfortable in the water while learning elementary aquatic skills. Requirements: Age 5 and older

**Level 2** - Gives participants success with fundamental skills. This level marks the beginning of true locomotion skills. Participants learn to glide and float without support and recover to a vertical position. Requirements: Passed Level 1 or successful completion of Preschool Level 3

**Level 3** - Teaches the survival float, elementary backstroke, breaststroke, backstroke, and coordination of front crawl. Participants are introduced to dolphin and scissors kicks, swimming in deep water, and basic diving skills. Requirements: Passed Level 2 or equivalent

**Level 4** - Focuses on increasing endurance by swimming for greater distances with more advanced proficiency. Requirements: Passed Level 3 or equivalent

**Level 5** - Refines all six strokes (front crawl, back crawl, butterfly, breaststroke, elementary backstroke, and sidestroke) and increases the distances participants can swim. Front and back flip turns are introduced. Requirements: Passed Level 4 or equivalent

**Level 6** - Refines the strokes so participants swim with ease, efficiency, power, and smoothness over greater distances. This helps prepare for more advanced classes such as Lifeguard Training and Competitive Swimming. Requirements: Passed Level 5 or equivalent

## Unsure which level to choose?

Register for one of our **FREE** evaluation sessions for your child to be evaluated by one of our instructors. If you are unable to attend one of the sessions, please contact our office at 262-375-5310, and we will do our best to determine your child's placement over the phone.

**Wednesday, April 17 7:00 - 8:30 p.m.**

**Saturday, April 20 1:00 - 3:00 p.m.**

Evaluations will be held at the Grafton High School Pool. Pre-registration required.

## Make-up/Refund Policy

**We realize there are schedule changes and situations that may arise to cause you or your child to miss a class, but to ensure a quality experience for both your child and the other children in classes, we do not allow make-up lessons or provide refunds for missed classes.**

Opening day event will be a walk and dessert. Other fun events include cribbage, Mexican Train Dominoes, and Mah Jongg. Closing events end with an awards breakfast. Fee is \$12.

## MEMORY SCREENINGS - FREE

Thursday, April 11, from 9:00 a.m. - 3:00 p.m. A memory screen is a wellness tool that helps identify possible changes in memory and cognition. This creates a baseline of where a person is at so that future changes can be monitored. Screenings will be conducted by a Dementia Care Specialist from the Aging and Disability Resource Center of Ozaukee County. Register in advance. Appointments are approximately 15 minutes.

## OZAUKEE SENIOR CONFERENCE

Tuesday, June 11, 8:00 a.m. - 3:00 p.m. at the Grafton High School. The mission of the Senior Conference is to enrich the lives of seniors through education promoting independence, health, wellness, and community involvement. Participants will enjoy workshops throughout the day and the opportunity to visit a variety of local vendors. Lunch is also provided. The fee is \$20 and space is limited. Registration forms will become available in April.

## CHAIR MASSAGE

First Tuesday of the month by appointment. Fee: \$15 for a 15-minute massage. Board certified and licensed Massage Therapist Linda Lemanczyk.

## GUIDED AUTOBIOGRAPHY 1 COURSE

Fridays; September 13 - November 15  
9:45 - 11:45 a.m. Guided Autobiography (G.A.B.) is a proven method of helping people of all ages and backgrounds capture and share meaningful moments and life stories. This course is ten weeks, 2-hour sessions with homework; each week has a different theme. Participants are given questions designed to stimulate memories. They go home, write two pages on the theme, and return to read their stories to the group. Discussion reduces isolation and builds connections and community. Led by Patty Tomaszewski, Certified G.A.B. Instructor. Pre-registration required. Fee is \$90 (includes 20 hours of instruction, handouts, notebook, and binder).

## JUST START QUILTING - FREE

Tuesday and Thursday, April 2 - May 30, 1:00 - 3:00 p.m. With the help of an 'advanced beginner' you can learn to quilt by just starting! You may choose to make a lap-size, baby, or a smaller size quilt, such as a wall hanging or placemat(s). All materials and tools for use in class will be provided. Bring a portable sewing machine (if you are able) or two machines will be available for use. Class size is limited. Instructed by Joe Schaub.
