St. Joseph Lodge #2 KSKJ

The members of St. Joseph Lodge #2 KSKJ have designated April 13th, 2025, as the Sunday they will celebrate their 130th Anniversary. Lodge #2 in Joliet is one of three lodges nationwide still active and reaching the 130 year milestone.

Members will attend the 10:30 AM Mass to honor past and present members, followed by a luncheon at Merichka's Restaurant. Members who will be celebrating their 50 year membership in 2025 will be honored and presented with certificates of appreciation.

Great-Grandparents of our current lodge members who initially formed and named our lodge after St. Joseph raised \$300 for the large stained glass window of the Holy Family when our church was built. During the restoration project for St. Joseph Church, from 2003 to 2010, our current members raised and donated \$15,000 for the restoration of that same Holy Family window.

Many members and families of St. Joe's are members of KSKJ life and the connections have remained for two, three, and four generations now. KSKJ is a fraternal benefit society that was initially formed to support the Slovenian community and has grown into a nationwide life insurance and financial organization since 1894. If you attend this Mass, please pray for us.

Rich Churnovic, Jr.
President St. Joe's Lodge #2 KSKJ

(PRACTICING) CATHOLIC - BENEATH THE SURFACE

By Colleen Jurkiewicz Dorman

Too often, we don't care about righteousness or truth. We just care about being right. We have a terrible tendency to see only decisions, and in doing so we dehumanize the people behind them. But when God looks at us, he sees more than the worst decisions we've ever made.

GOSPEL MEDITATION -ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

“The scribes and the Pharisees brought a woman who had been caught in adultery and made her stand in the middle” (John 8:3). Why do they make her stand in the middle? Why not expose her on the periphery? The reason is something that affects us practically every day.

The center is what stabilizes a community’s identity. We humans tend to center ourselves around an accused and condemned victim — though we rarely admit it. This renews our fragile communities and our power as those who weaponize the accusation. This is effective because it is often a victim who represents something truly dangerous for the group. In this case, adultery stands for the breakdown of a community and those within it, because it forces questions like: who is my father? Whose child is this? Is this child one of us, or that of an outsider? The accusers place the adulteress in the center because their community, like most, is built around turning an enemy into a victim.

Once you understand this, you’ll see it almost anywhere humans group together (families, politics, workplaces, sports, schools, etc.). The good news is Jesus exposes this dynamic by deftly pointing out the sin-infected hearts of everyone besides the woman. They all leave, symbolizing the breakdown of the old order, and she is “left alone before him.” A new community has begun, structured around the merciful love of Christ.

What is in your center? What is in the center of our parish and family communities? Strive to center on Christ’s forgiveness, and we experience the new, lasting community we call the Church.
