

# GOLDEN YEARS

This year on Memorial Day may you remember those who have paved the way of FREEDOM in America. We have become very nonchalant about our freedoms. The war in the Ukraine has shed a light on what freedom truly means and what the catastrophe of war really is. Memorial Day is set aside to HONOR all those who gave their lives so that we may be free. Families grieve from their loss but as Americans we should bow our heads and thank God for those brave enough to be in any branch of the Military. There are many unsung heroes that have fought drug lords, saved children

from harm, busted up the cartel, fought in combat, were imprisoned when captured by the enemy. Many soldiers suffered from PTSD, lost limbs, lost their families due to their service. Memorial Day is not just a day off from work but a day set aside to thank those who gave their lives in various ways to the service of their country. Please take a moment on Memorial Day to say a prayer of thanks to all who have served our Country and for their loved ones who miss them.

## Bucky Badger Contest :

We have hidden a Bucky Badger somewhere in this newsletter. If you have the patience to hunt for it, and are lucky enough to find it, drop a note in the box in the office. Include your name, phone number and where the logo was located. We will have a random drawing of all correct entries to win a free lunch card to use for senior dining at Germantown Senior Center. Please submit your entries by the 9th of each month

In April Bucky was found on page 7 under the movie picture Winner: Roy Frank
