Eucharistic Adoration

"In the Mass and in Eucharistic Adoration we meet the merciful love of God that passes through the Heart of Jesus Christ."

- Pope John Paul II

Our Parish provides the opportunity for everyone to share Eucharistic Adoration on Wednesdays from 1-9pm. We invite all to pray with Jesus as the Blessed Sacrament is exposed on the altar. Even if just for a few minutes, make sure you take the time to stop in Church & give thanks to Him from whom every good comes.

LIVE THE LITURGY

Inspiration for the week

Have you ever given thought to the fact that you are an "ambassador for Christ?" An ambassador is an accredited diplomat and official representative. We are asked to be ambassadors for Christ and his message of reconciliation. Within each one of us is a prodigal son who realizes the need to return home, an elder brother who struggles with entitlement and self-pity, and a forgiving father who simply wants to celebrate love. Realizing that all of these things are operative in our hearts, we can bring credibility to God's ministry of reconciliation. Genuine witnesses are those who not only recognize their need for wholeness, mercy, and forgiveness but also their tendency to be over self-focused and stubborn. Then, discovering freedom from all that binds them, they can then extend the love they have received to others. These ambassadors embody unity, mercy, and reconciliation and can look on others with deep compassion because they know what it is to walk in their shoes. Can God count on you to deliver this message?

SAINT OF THE WEEK

St. Rupert of Salzburg is also known as the "Apostle of Bavaria and Austria." Although mostly legend, it is believed that he was born sometime around 660 in Gaul, which is now part of France. It is possible that he is a descendant of the Merovingian royal line. Not much is known about the saint's early life.

We do know that Rupert was first appointed as Bishop of Worms in present-day Germany and despite many good works there, the pagan population eventually beat him and forced him from the city. Rupert retired to Rome for a time until Duke Theodo of Bavaria asked him to come to help establish the Church more firmly in Bavaria. Rupert agreed and brought with him a group of priests. Rupert traveled the region, effecting conversions, miracles, healing.

Eventually Rupert chose to settle at Juvavum an old Roman city mostly in ruins. He renamed the city Salzburg or "Salt Castle," and established there a great cathedral and monastery under the Rule of St. Benedict. His niece became abbess of the Benedictine convent he founded nearby. Rupert was the first bishop of Salzburg, serving also as abbot of the monastery.

St. Rupert is usually portrayed carrying a vessel of salt, as he helped establish the salt mining industry for which he named the city. It is said that Rupert died on Easter Sunday though sources disagree on the year, which could have been around 710 or possibly as late as 718.
