When we look at our Church, we need to see greater passion. Sometimes that passion is there, but many times, we approach our discipleship as just another aspect of who we have become. It needs to be more than that. As we call ourselves Christian, we need to "put on Christ" so that a world in need sees not us, but Jesus. By being serious about our discipleship and living as transformed Everyday Stewards, we bear witness to the power of Jesus Christ. Jesus said in Luke 12, "I have come to set the earth on fire." Those words sound pretty emotional to me! If we are to be like him, then we need to set the earth on fire. We need to be bold and proclaim the Good News without apology. By our actions of love and justice, we need to show the world that with the Body of Christ on earth, it is not business as usual. Surely our emotions about these things should trump the emotions we have about a sporting event. We need to ask ourselves what truly sets us on fire. -Tracy Earl Welliver, MTS

Scripture Stewardship: Stewardship Stance
“Do you think I have come to give you peace on Earth? No, I tell you, but rather division.” LUKE 12:51
Living a Stewardship lifestyle means stepping out of our comfort zone when needed. Many of us like to play it safe, not cause waves, stay in the middle of the road. In today’s world we are called to be informed and take a stance for life, marriage and religious liberty.

What constitutes a valid Catholic marriage?
A Catholic is married validly in a Catholic marriage when the Catholic party(ies) are married before a Catholic priest (or bishop) and two witnesses in a Catholic Church. (This applies to the situation when a Catholic marries a baptized non-Catholic or an unbaptized person.) For a good reason the couple can be granted a dispensation by his/her bishop to be married elsewhere and by another official. Our churches, our buildings of prayer and worship, are sacred places where sacred events should take place. Catholics are required by Church law to take advantage of the sacrament of Marriage and not dismiss it lightly.
