We encourage our parishioners to patronize our sponsors. It is through their generosity that our weekly bulletin comes to you at no cost to our church.

Our sponsor this week is:
GIESLER DENTAL
Petersburg, Indiana 812-354-8404

We greatly appreciate your generous stewardship of treasure, time and talent.

Scripture Stewardship: “For behold, some are last who will be first and some are first who will be last.” LUKE 13:30
Our standards in society are different from God’s standards. We often rank people by what they have, how powerful they are, or how successful they are. Jesus reminds us that God will not judge us by the same earthly standards. When God asks you, “what have you done with the gifts I have given you?” Will Stewardship be your response?

World Humanitarian Day
Throughout its history, the Church has paid special attention to the needs of the vulnerable and the transformation of society according to the plan of God. On World Humanitarian Day, we remember our Church’s robust tradition of care for the poor, defense of justice, and advocacy for peace. This week, consider how you, too, can contribute and be Jesus’ hands and feet to the world. Will you serve at a soup kitchen or donate to clean water projects across the globe? How is God inviting you to make a life-changing impact for His children today?

Next weekend, our diocese will be taking up the National Collection for The Catholic University of America. Located in the heart of the nation’s capital, Catholic University offers graduate and undergraduate courses in more than 180 academic programs. By giving to the National Collection, you will help support more than 8,000 students who are seeking a faith-filled education at an institution that supports cutting edge research in multiple fields. Your Investment will enable the University to continue to support the Church and to advance its work of preparing the next generation of leadership, both religious and lay, of our Church and nation. It will also enable the continuance of the Catholic Project, a University Initiative jumpstarted by philanthropy which aims to help bishops, priests, and the lay faithful develop a deeper understanding of the law vocation and principles for effective action in the wake of the recent Church crisis. Through research, new academic programs, and dialogue, the project brings together the clergy and lay leaders to develop solutions to the issues facing our Church and bring about reforms.
