**TALKING WITH GOD:**

**The Importance of Prayer & Study**

By: DR. MICHAEL PATRICK BARBER

Have you ever struggled with prayer? Lack of time, focus, or understanding of what to do can all be a challenge. As Augustine Institute professor and author Dr. Michael Patrick Barber explains, prayer is critical to our relationship with God, just as good communication is critical to our relationships with our loved ones.

Citing deep biblical insights and humorous personal stories, Dr. Barber offers encouragement and practical suggestions for how we can better approach the practice of prayer, and teaches the surprising importance of theological study. "The more you love someone, the more you want to know about them; and the more you know them, the more you love them."

**ROSARY BEFORE MASS**

**You are encouraged to join parishioners 30 minutes before Mass to pray the rosary. "Give me an army saying the rosary and I will conquer the world." ~Blessed Pope Pius IX**

## THE BIBLE IN A YEAR

with Fr. Mike Schmitz Ascension

If you've struggled to read the Bible, this podcast is for you! With this podcast, you won't just read the Bible in a year...you'll finally understand how all the pieces of the bible fit together to tell an amazing story that continues in your life today!

Each episode of "Bible in a Year" lasts roughly 20-25 minutes and features two to three scriptural readings, a reflection on those readings by Schmitz, and a prayer.

Instead of reading the Bible linearly, the podcast follows "The Great Adventure Bible Timeline," developed by scripture scholar Jeff Cavins. Cavins was a featured guest on the podcast.

Schmitz said that three "ingredients" helped make the podcast more accessible to listeners who otherwise might have been too intimidated by the prospect of reading all 73 books of the Bible. "Those three things — **just press play, you have a map, and you have a guide** — I think that was a really good mixture of ingredients to help people who really desired to hear God's word to be able to actually follow through all 365 days."

Though the podcast has now concluded, it will remain available on every major podcast app for new users to listen to in the future.

*Things are looking up! The rights of our most vulnerable are being acknowledged and changes appear to be on the horizon. This could be the year of significant change, up to and including the rescinding of the fateful decision handed down by our Supreme Court 49 years ago. Praise God for prayers answered! Please continue to lift up the innocent victims of abortion and pray for a change of heart in our nation. You can witness to others by joining us at the annual Walk for Life sponsored by the Dickinson County Right to Life. As always, donations are welcome to assist the local efforts and they can be sent to :*

## THE ANNUAL WALK FOR LIFE

The local Right to Life Group would like to invite area residents to join our Walk for Life on Sunday, Jan 23, 2022 to bring attention to the plight of the unborn. Meet near Kingsley North 106 West B Street between 1-1:30pm CST. The walk will begin at 1:30, crossing Stephenson and continuing down to Hardees. Please make plans for your own return transportation. This is an outdoor event and we are encouraging social distancing, but we need to show up to remind people that all life is precious. Signs will be available.

so goes the nation,  
and so goes the  
whole world  
in which  
we live.”
