**Team 4 - 5 Report Project**

**Team 4 - 5 is finishing a report-writing project. We used the activities of reading a non-fiction book and taking notes about the important things that we learned. After making the notes, the information was organized into paragraphs. Each paragraph needed a topic sentence and details to explain the main idea. After writing a first draft, corrections were made. Then a final copy of the report was written. Along with the report, a "photo album" with captions was made to provide illustrations of important information. The reports will be shared on the board outside of our classroom.**

**PRAY FOR OUR SUPREME COURT JUSTICES!**

New Hope for Unborn Babies? Is the end near for Roe v. Wade? Could the 1973 ruling that legalized abortion through all 9 months of pregnancy be overturned? The Dobbs case being heard by the Supreme Court could have that outcome – but we must pray. Read about the nationwide initiative of fasting and prayer at [diolc.org/respect-life](http://diolc.org/respect-life), where you can also download a flyer with photos of each of the Justices. Post it on your refrigerator and remember to pray and sacrifice for each of them by name! A ruling is expected by June.
